This is the Acalanes story. It is a story of twenty-five years of growth and progress—a story of athletic victories and defeats—a story of academic challenges and accomplishments. It is your story—part of your tradition—part of your history. It began with a construction sign in the midst of a vast tomato field.

Motivated by careful planning and constant thought, the seemingly ceaseless hammers of progress created a school, a school unique in structure and beyond its time in design. Architecturally, Acalanes initiated a new type of school. Built entirely on one level, its layout was designed to facilitate change and take advantage of the beauty of its location. The Museum of Modern Art in New York awarded Acalanes as one of the two outstanding buildings in the United States of 1940.

## LOCAL ARCHITECTS WIN DESIGN HONORS

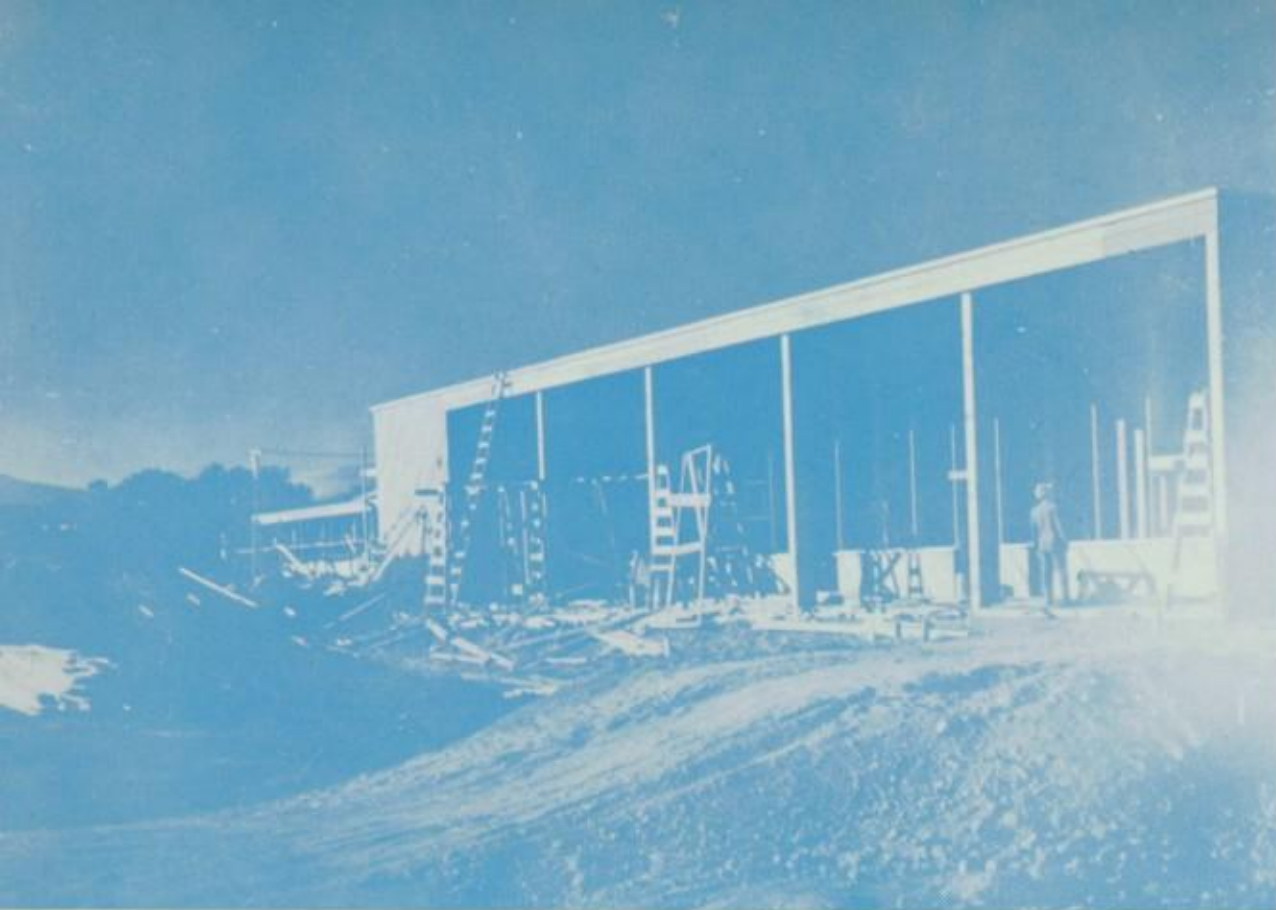

The Acalanes High School, Lafayette, Contra Costa County, and the City Hall in Fresno have been chosen as the most outstanding examples of recent architectural work by American architects and builders, according to word received from the Museum of Modern Art, New York.

The two structures were designed and constructed by Franklin Kump and Associates.

The shells of classrooms were a constant reminder that time would not wait for completion. The pace to finish the school by September became hectic and demanding.

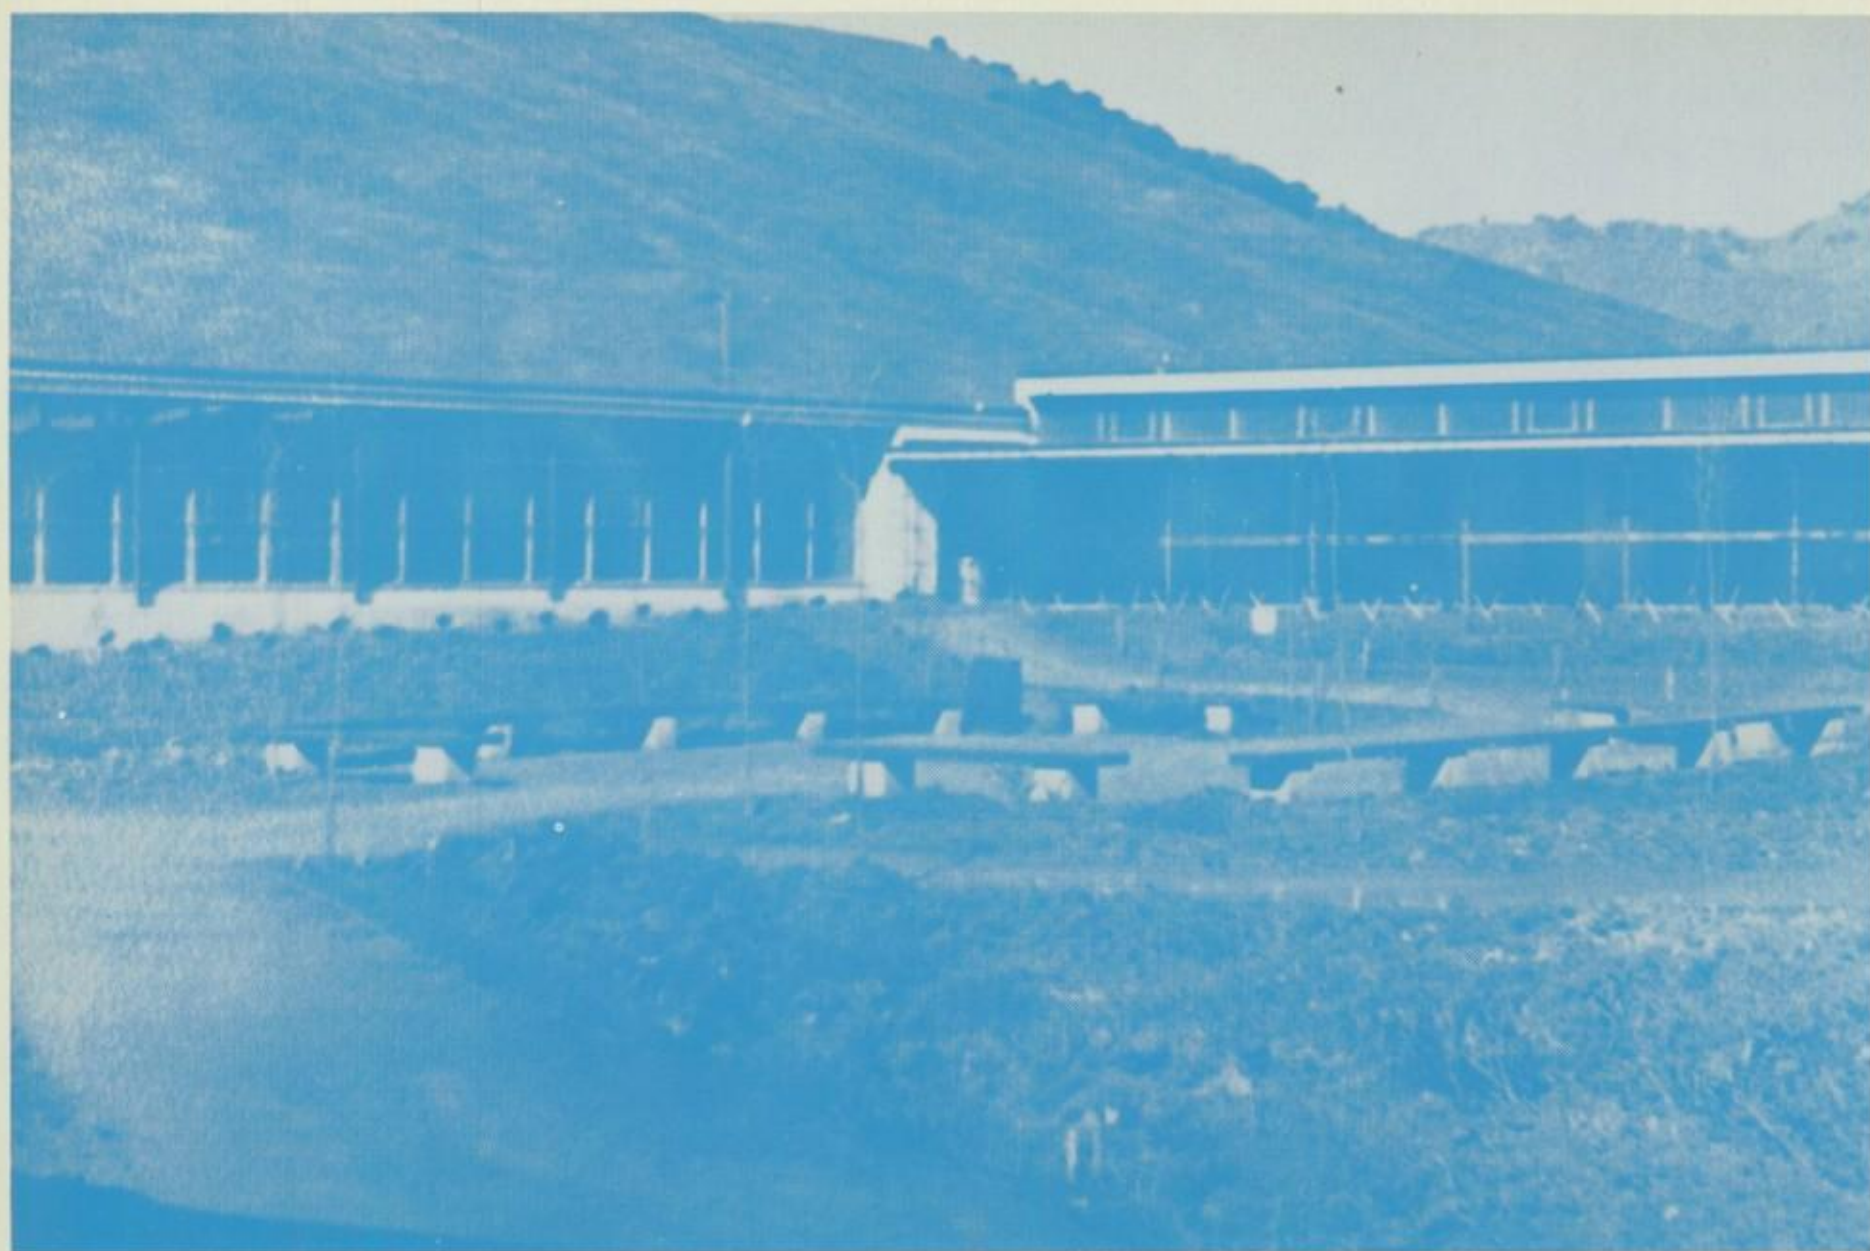

Bill -  
 To a fine man  
 that has inspired  
 our public speaking  
 class - good luck  
 in the years to come  
 and with the women -  
 you've got what  
 it takes -

Gradually, rooms were completed and workmen concentrated on esthetic aspects. Gardens and lawns were planted, adding to the unique grace of the new school.

September, 1940 arrived. Four hundred students filled Acalanes and the classrooms came to life. The school, however, was far from being complete. The athletic facilities were hardly desirable. The dirt field beyond the school was no substitute for a turf. And one shower was definitely inadequate for the use of an entire football team. After having used the coaches' shower, it was necessary for the football players, dressed only in a towel, to cross the field to the gardener's shed where their clothes were kept. The needs of a growing community surrounding Acalanes demanded change. Acalanes grew.

As workmen returned in 1944, another interruption faced the students at Acalanes—World War II now involved the United States. The war changed Acalanes.

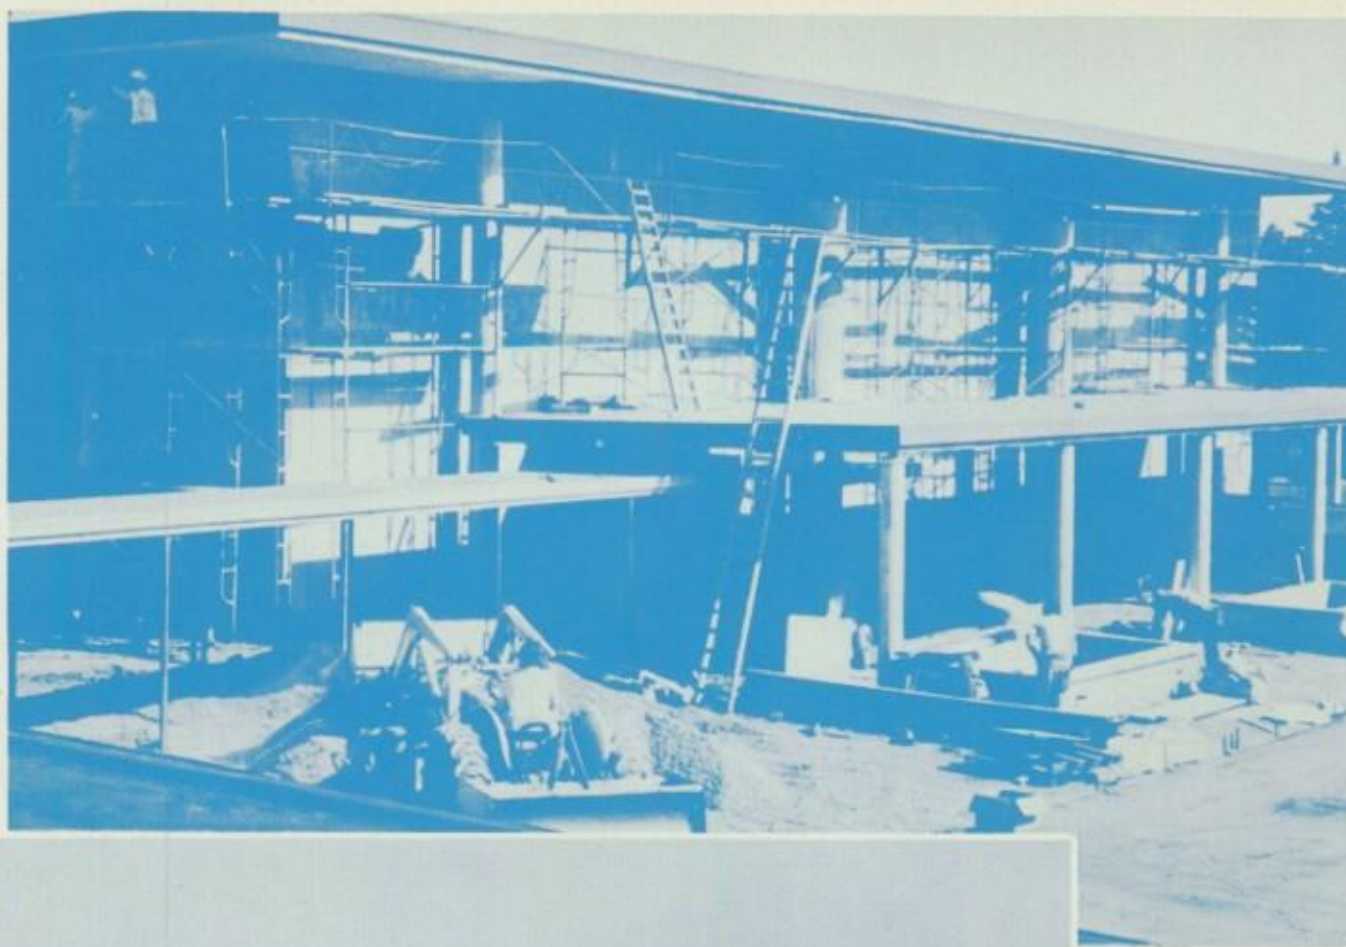

Tomato picking at noon became the students' contribution to the war effort. Although the students were carefully supervised by teachers, teachers often became the targets of tomatoes hurled down the halls. In addition to this recreational aspect, the war helped Acalanes in a more concrete way. The war provided the school with a swimming pool. The last vestige of the W.P.A. paid the labor costs for the construction of the pool. But the war ended, and Acalanes was left with a shell. Eventually the pool was completed, but as time progressed and better methods of building pools were developed, our pool was constantly being improved.

Bill  
It was a great year  
this year. I'm glad  
I was able to go  
through the year with  
you. We probably  
should have had more  
parties while you were  
still going to this  
fine institution. Good  
luck wherever you go  
and whatever you do.  
Don't do anything I  
wouldn't do.

But, construction wasn't confined to improvements; it also included additions. Although a gymnasium was in the original plan for Acalanes, more immediate needs were concentrated upon. The auditorium doubled as a gym until 1964. A year prior to that the plans were finally realized and a gym was constructed.

Progress had influenced the life at Acalanes. Tastes and ideals changed. Girls in blue and white uniforms eating lunch on the school's lawns were replaced long ago. But progress hadn't affected certain aspects of Acalanes life. Students still rushed frantically down the halls. Yelling continued to be the only means of communication between students running to their next class. Students have been the primary concern of Acalanes. There has always been a mutuality of sharing and giving between student and faculty, devised to enrich a student beyond academics.

Acalanes' story is a proud story one of change and dedication.

Because the growth of an outstanding curriculum owes a great deal to his support of new ideas . . .

Because as administrator he remains understanding of the problems of individuals . . .

Because his warmth and sincerity have aroused the respect of students, teachers, and the community . . .

Because he has given twenty-five years of service to Acalanes High School as teacher, dean of boys, and principal . . .

LEFT TO RIGHT: Mr. Glenn Allen, Dr. Ralph Hall, Mr. Will Hall, Mr. William Lee, Mrs. Duncan Knudsen.

The 1965 Aklan marks our 25th Anniversary. It depicts our growth from a small school into a highly acclaimed academic plant.

The Acalanes story is more than a record of increased enrollment, improved teaching facilities, academic achievements, and athletic victories. The real measure of our school is found in its students, former and present, and their contribution to the community and the nation. How rich is Acalanes' record! Returning students tell me Acalanes has helped them to develop their own high standards and to become conscious of the needs of others. It is here, they say, that they first become aware that total involvement brings inner growth.

During its twenty-five years Acalanes has become a heritage of tradition and of aspiration which students have carried out into the community and nation and which, I know, will continue.

Stanley W. Walgren  
Principal

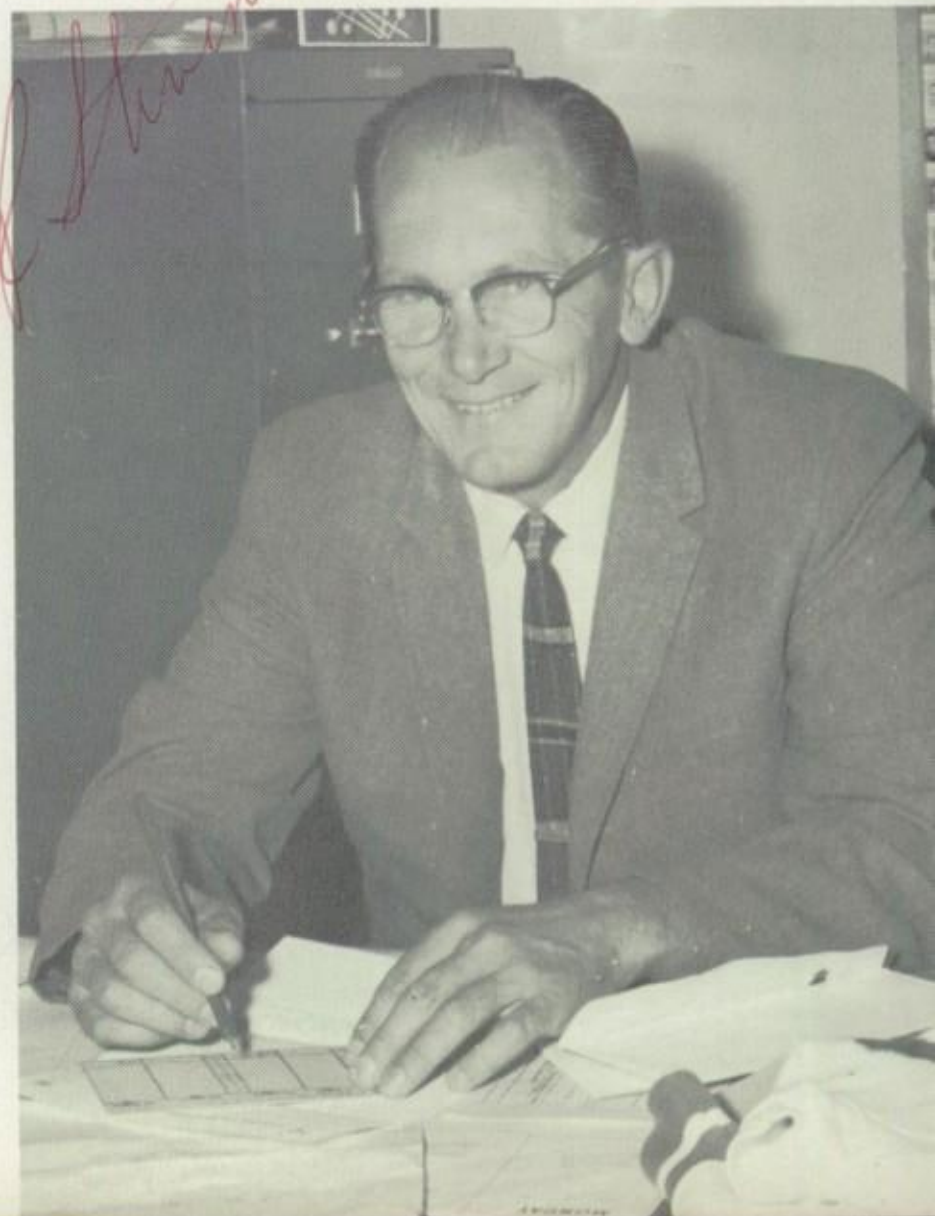

Twenty-five years in a rapidly growing area brings many changes. The Acalanes High School District now serves more thousands of students than there were hundreds when it was formed. The needs and desires of the students for academic opportunities and activities are fundamentally the same, but both programs have had to expand to keep pace with the increased numbers, and the resulting greater variety of interests.

For twenty-five years the students have been responsible for, and proud of the high standards and outstanding reputation of Acalanes in both areas. Keep up the good work.

Vera M. Richardson  
Dean of Girls

The student activity program over the past 25 years at Acalanes has continually matched the interest and needs of the students. In retrospect we have found that situations are similar and that only the faces and styles have changed. Dancing has always been a popular activity for teen-agers and still is, the faces are different and the styles! Well—I never danced like that when I was a teen-ager. The opportunity for activities is always here for the benefit of the Acalanes Student. Strengthen your high school experience by belonging to a school club, by attending dances and athletic events, and by being a member of an athletic team.

Robert E. Stevens  
Dean of Boys

# Counseling

Counselors discussed personal and scholastic problems with each individual. They provided understanding and guidance, and offered their assistance to students in choosing academic courses suited to the students' interests and capabilities. Programs were arranged according to aims and abilities.

# English

The English department strove to teach students the various fundamentals of language. In all English classes the program was extended to develop the students' ability to read, write, and listen intelligently. A variety of elective courses was one of the main reasons for the popularity of the English department.

*Bill - Best wishes to a boy who has the will to seek his own future feelings. May your future years be happy & prosperous. Regards to your family.*

The 1964-65 curriculum of the Social Studies Department included five history and geography courses. Subjects ranged from the historical heritage, growth, and development of California to the political, economic and social accomplishments of Western Europe. Compulsory courses included a study of the basic structure and functions of various governments, and the problems of civic life in the community and in the nation.

# Foreign Language

Courses offered in the Foreign Language Department included four years of the following: German, Russian, French, and Spanish. Giving a student the basic fundamentals in grammar, vocabulary, reading, and oral expression were the main purposes of the foreign language this year. By teaching students the ideals and customs of the other countries through the new audio-lingual approach, the Foreign Language Department furthered international understanding.

# Fine Arts

The Fine Arts Department consisted of two elements. First, music was designed to give the student a background of special musical knowledge and abilities. Modern Dance, the second element, helped to develop skills in rhythmic activities. Varied programs of music were performed throughout the year. The girls involved in Modern Dance performed for the annual Christmas Program and Musance.

The Art Department tried to give the student an over-all view of the arts and the basic instructions in the use of medium and design. First- and second-year students were given an introduction to materials and the fundamentals of drawing. More advanced students extended their experiences while concentrating on watercolors and oils.

# Industrial Arts

The Industrial Arts Department offered students the chance to undertake shop problems involving manipulative skills and processes. Basic shop problems became progressively more complex during the year. During the awards assembly in the spring, an industrial arts award was given to the outstanding senior industrial arts student. Its main purpose was to give an industrially inclined student a chance to gain recognition in subjects other than academic solids.

Courses offered by the Home Economics Department helped students gain experience in doing tasks in home, school, and community life. Principal aim of the department was to enrich family living through increasing the ability of students to perform home duties and through developing better family members.

# Business Education

The Business Education Department, headed by Mr. Lord, planned courses which increased students' knowledge of commercial transactions and business laws. Many different business courses were offered to students interested in pursuing business careers. These courses were designed to develop desirable work habits and attitudes. Students practiced habits of accuracy and neatness, with special emphasis placed on partnership and corporation accounting.

The work of our secretaries was more often seen than appreciated. A few of the necessary tasks which they performed were handling daily bulletins, transcripts, bell schedules, and school supplies.

# Senior History

Four years seemed an eternity, but in retrospect, these years were only too short, and on June 17th, graduation brought an end to the experiences of the 25th graduating class at Acalanes. Although the seniors looked forward to the new opportunities awaiting them in the life they were about to enter, they also remembered the past four years at Acalanes.

As Freshmen, they were welcomed and given an introduction to the school on Frosh Orientation Day. Then, they waited enthusiastically for the first day of school with more self-confidence. With its arrival came both excitement and fear. But, a quick adjustment period followed, and the freshmen soon found themselves active in the typical school of activities, studies, and government. They elected Bob Stoops president, Ed Kendall vice-president, Hope Julius social secretary, Cathy Lund secretary, and Bob Harris treasurer. Under their leadership, the freshmen had a most successful Frosh Frolic. **Peppermint Twist Party** had Scotty Scott and his Combo as its band, and Johnny Mathis' brother, Mike, as its special guest star. Highlighting an evening of dancing and fun was an extremely popular twist contest. The year ended with the freshman acquainted with Acalanes' two-hour finals and new grading systems, and anxiously waiting for summer vacation.

The Class of '65 returned triumphantly in September as one-year veterans of Acalanes. Heading the sophomore class were Woody Underhill, president; Mike Yeomans, vice-president; Laurel Stanley, social secretary; Leslie Grant, secretary; Jeanne Morrison, treasurer; and Jeanne Olson, citizenship representative. They continued their social success with the memorable Soph Hop, **Surfer's Stomp**.

Presiding over the junior class were Dale Speyer, president; Bruce Neighbor, vice-president; Julie Smith, social secretary; Sue

McMeans, secretary; Gretchen Jacobsen, treasurer; and Hope Julius, citizenship representative. With their cooperation, the junior class planned the Junior Prom, **Orchids in the Snow**. The old gym was beautifully decorated in a white and violet color scheme. Green Christmas trees were flocked white, and crepe paper orchids, white streamers, and an artificial waterfall added to the colorful scenery and atmosphere. The success of this dance was renewed in the Junior Extra, **Please Don't Eat the Daisies**. The month of May found the juniors excited over the coming student body elections, and prepared to take over Senior Hall as well as the student government.

The many diverse senior activities were well co-ordinated by the senior class officers: Don Querio, president; Jack Jay, vice-president; Laurel Stanley, social secretary; Kathy Hamlin, secretary; Cherie Olson, treasurer; Annette Betancourt and Jeanette Armstrong, citizenship representatives. 1965 was a year of much activity and excitement. Senior sucker sales played an important part in raising money for the senior class. Homecoming was climaxed by the seniors winning the float contest with their entry, "Cinderella." Reigning over the float were its three princesses, Holly Borowiak, Hope Julius, and Laurel Stanley. Later, Holly Borowiak was crowned 1964 Homecoming Queen at the Homecoming Dance. The senior play, **The Importance of Being Earnest**, demonstrated the acting ability, and time spent on this production by the senior class. The seniors continued their prosperous year with the Senior Extra, which had a Sadie Hawkins theme. On May 21st, all seniors enjoyed the Senior Banquet, "Auld Lang Syne" which had the Beau Brummels as entertainment. Senior Bermuda Day was a day of fun and games. Then came the lovely Senior Ball, "Bon Voyage." Graduation night was crystallized by the Senior All-Night at The Red Balloon.

Penny Prentice and Jeanne Olsen worked on the Senior Ball decorations.

With graduation drawing near, the class of 1965 sailed from Acalanes Harbor at nine o'clock on the fifth of June. As the couples arrived their cars were parked by junior boys dressed in tuxedos. The passengers were escorted up the gangplank and doors opened for them by junior boys also dressed in tuxedos. Their ship, decked in red, white, and blue was bound on this nautical night for such romantic spots as Europe, South America, the Orient, and Polynesia with its torch-lit tropical garden. Dancing to the music of Ben Meltzer's band, the couples soon forgot that they were in the school cafeteria and patio which had been transformed into this festive atmosphere by their fellow classmates.

When the voyage came to an end at midnight and the passengers departed, they left behind them a night they would long remember, a true BON VOYAGE.

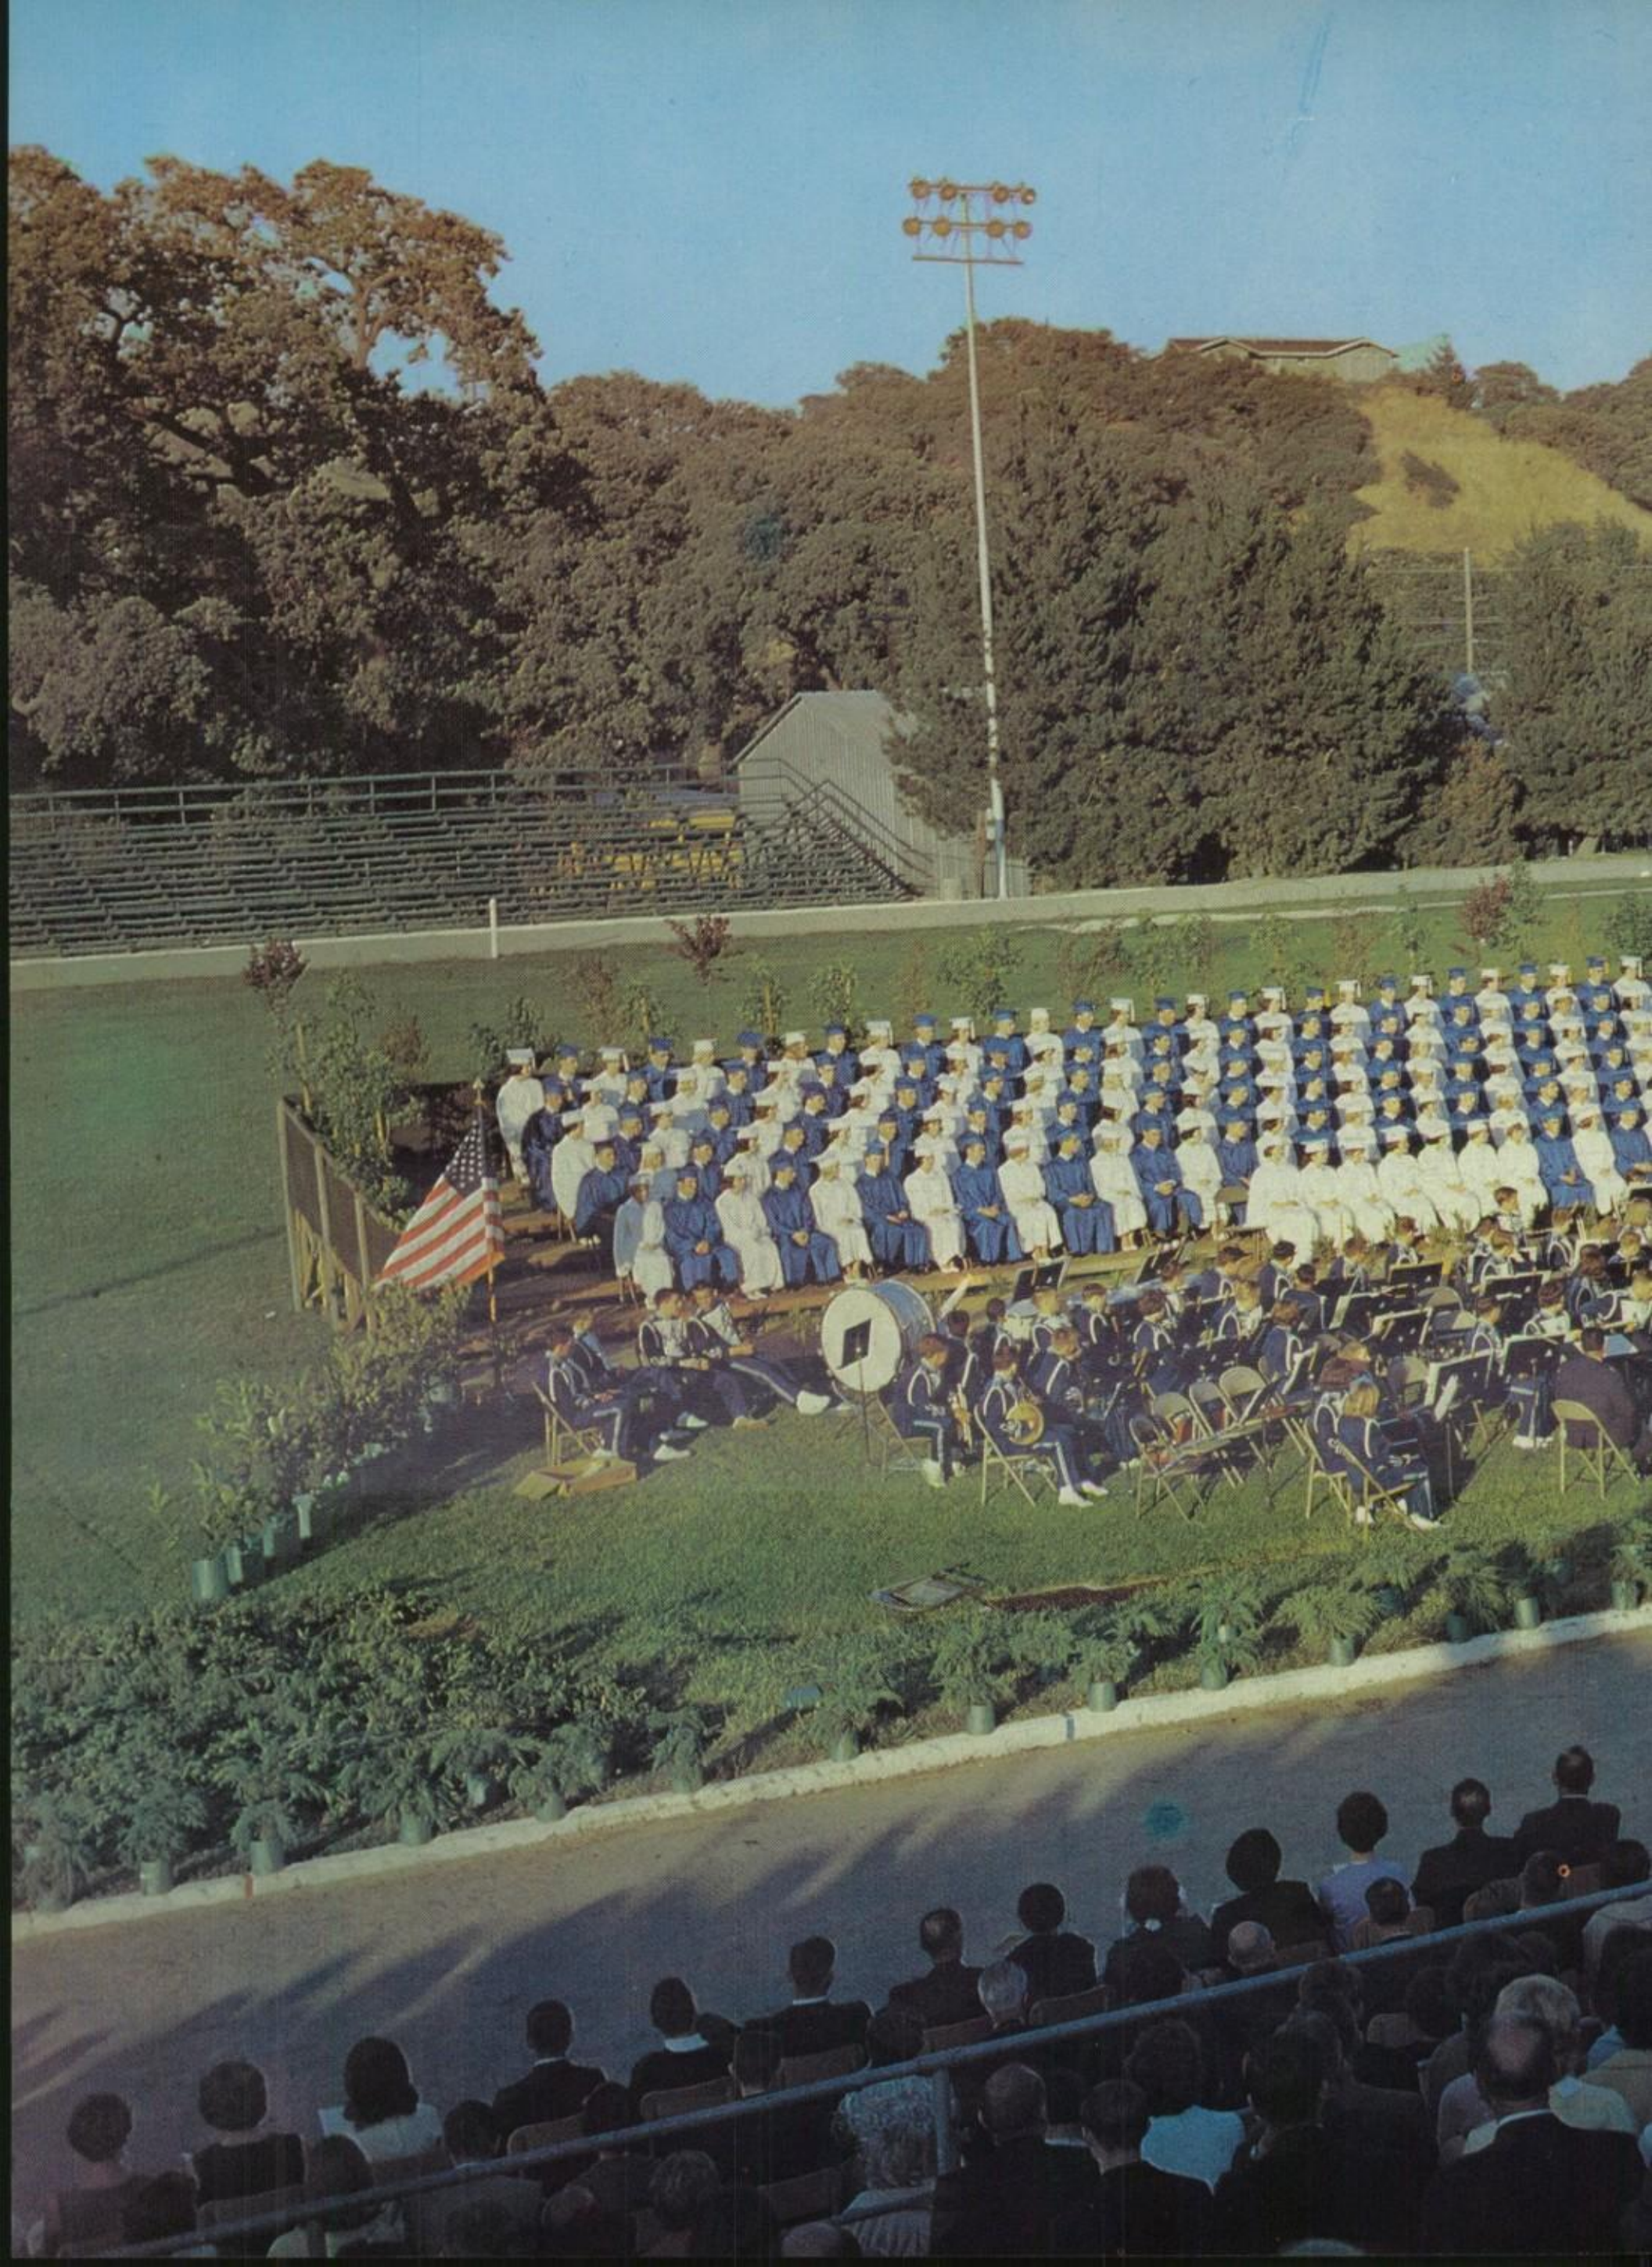

Bev Ortey marked the hem on Kris Lincoln's Senior Ball dress.

Jeanne Morrison and Nancy Buettner made bids for the Senior Ball.

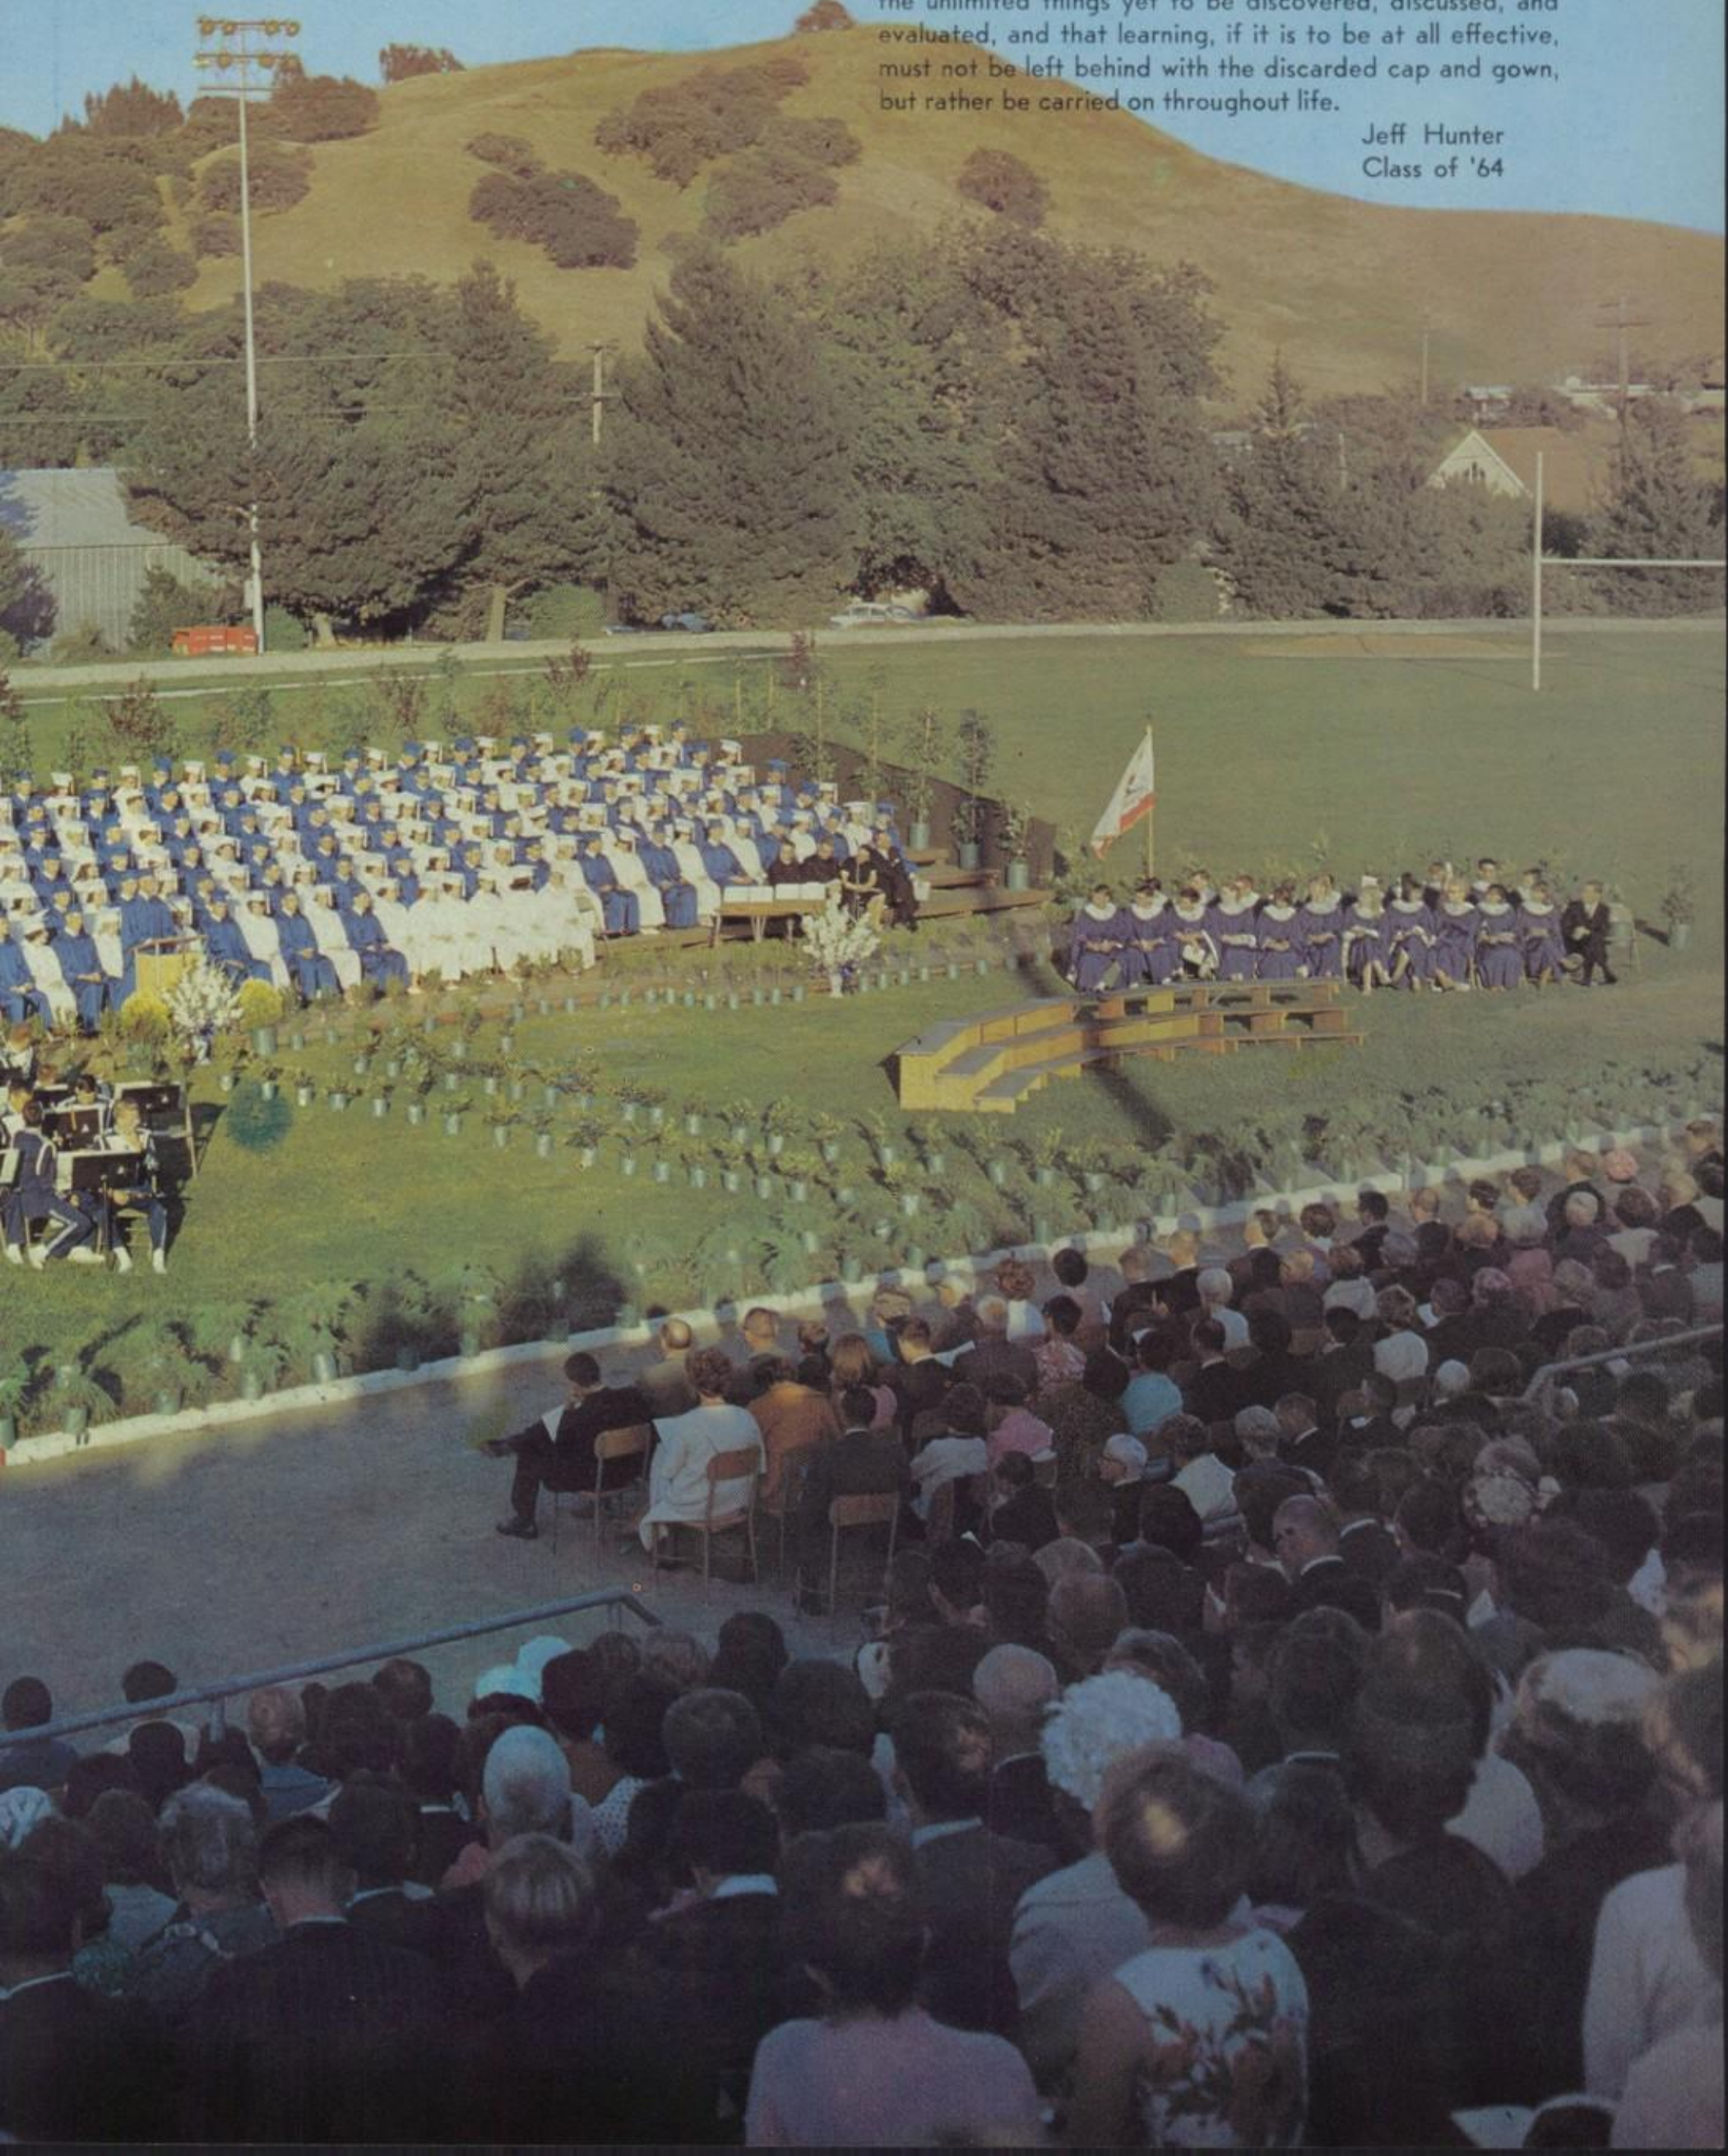

High school is a place where we learn the most important lesson of our lives—that the most complete, comprehensive education a man can obtain is nothing in the face of the unlimited things yet to be discovered, discussed, and evaluated, and that learning, if it is to be at all effective, must not be left behind with the discarded cap and gown, but rather be carried on throughout life.

# JUNIOR PROM

The spirited and talented Junior Class made their prom a great success this year. Janie Stone, the class social-secretary, directed the effort made by all committees. The decorations were centered around the theme **Wonderland by Night**. An enchanting scene was created beneath glittering stars and a blue spotlight. The bids hung from a large evergreen tree in the center of the dance floor. Around it stood other white trees and winter sleighs. With lush greenery hanging from the walls, the scene was complete. The large and enthusiastic crowd danced to the music of the Nightcaps.

# Hear Ye Hear Ye come to the 'Ye Olde Pub'

.75 each

Fri. 8:30-11:30

Soph Hop transformed the gym into an English Courtyard.

Ye Olde Pub opened for one night on October 2, 1964. The effect of the pub was achieved by pine boughs, benches, a lamp post, and colorful shields.

# FROSH FROLIC

The dancers did the jerk to the beat of the Breakers.

At the marriage booth couples got "hitched" for the evening.

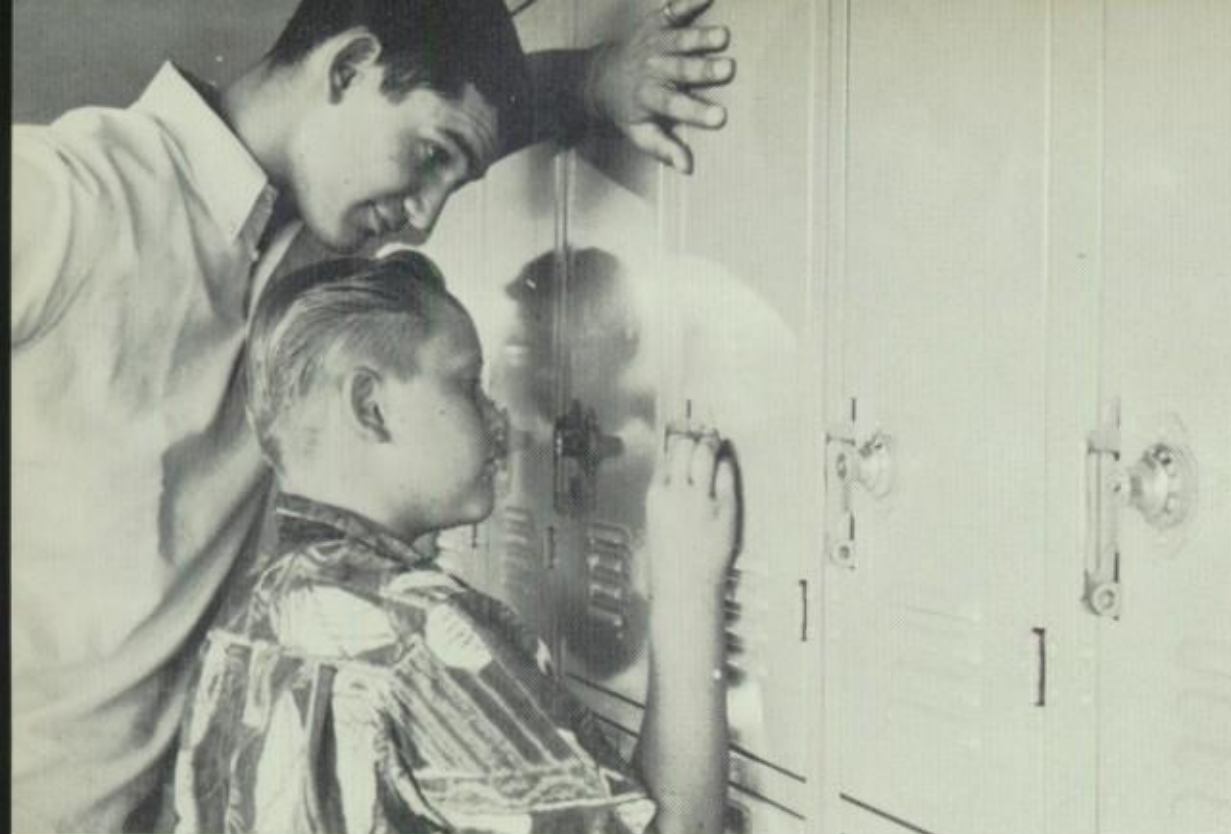

The **Hillbilly Hop**, under the supervision of Social-Secretary Gale Mefford, was both successful and unusual. Freshmen and their guests entered into a country atmosphere complete with scarecrows, picnic tables, flowers, a marriage "hitching post," and a refreshment stand, labeled "Grub." Early in the evening there were games. Later, Mr. William Castner called square dancing. The evening was topped off with music by the Breakers and by student folksingers.

# Fall Semester Student Council

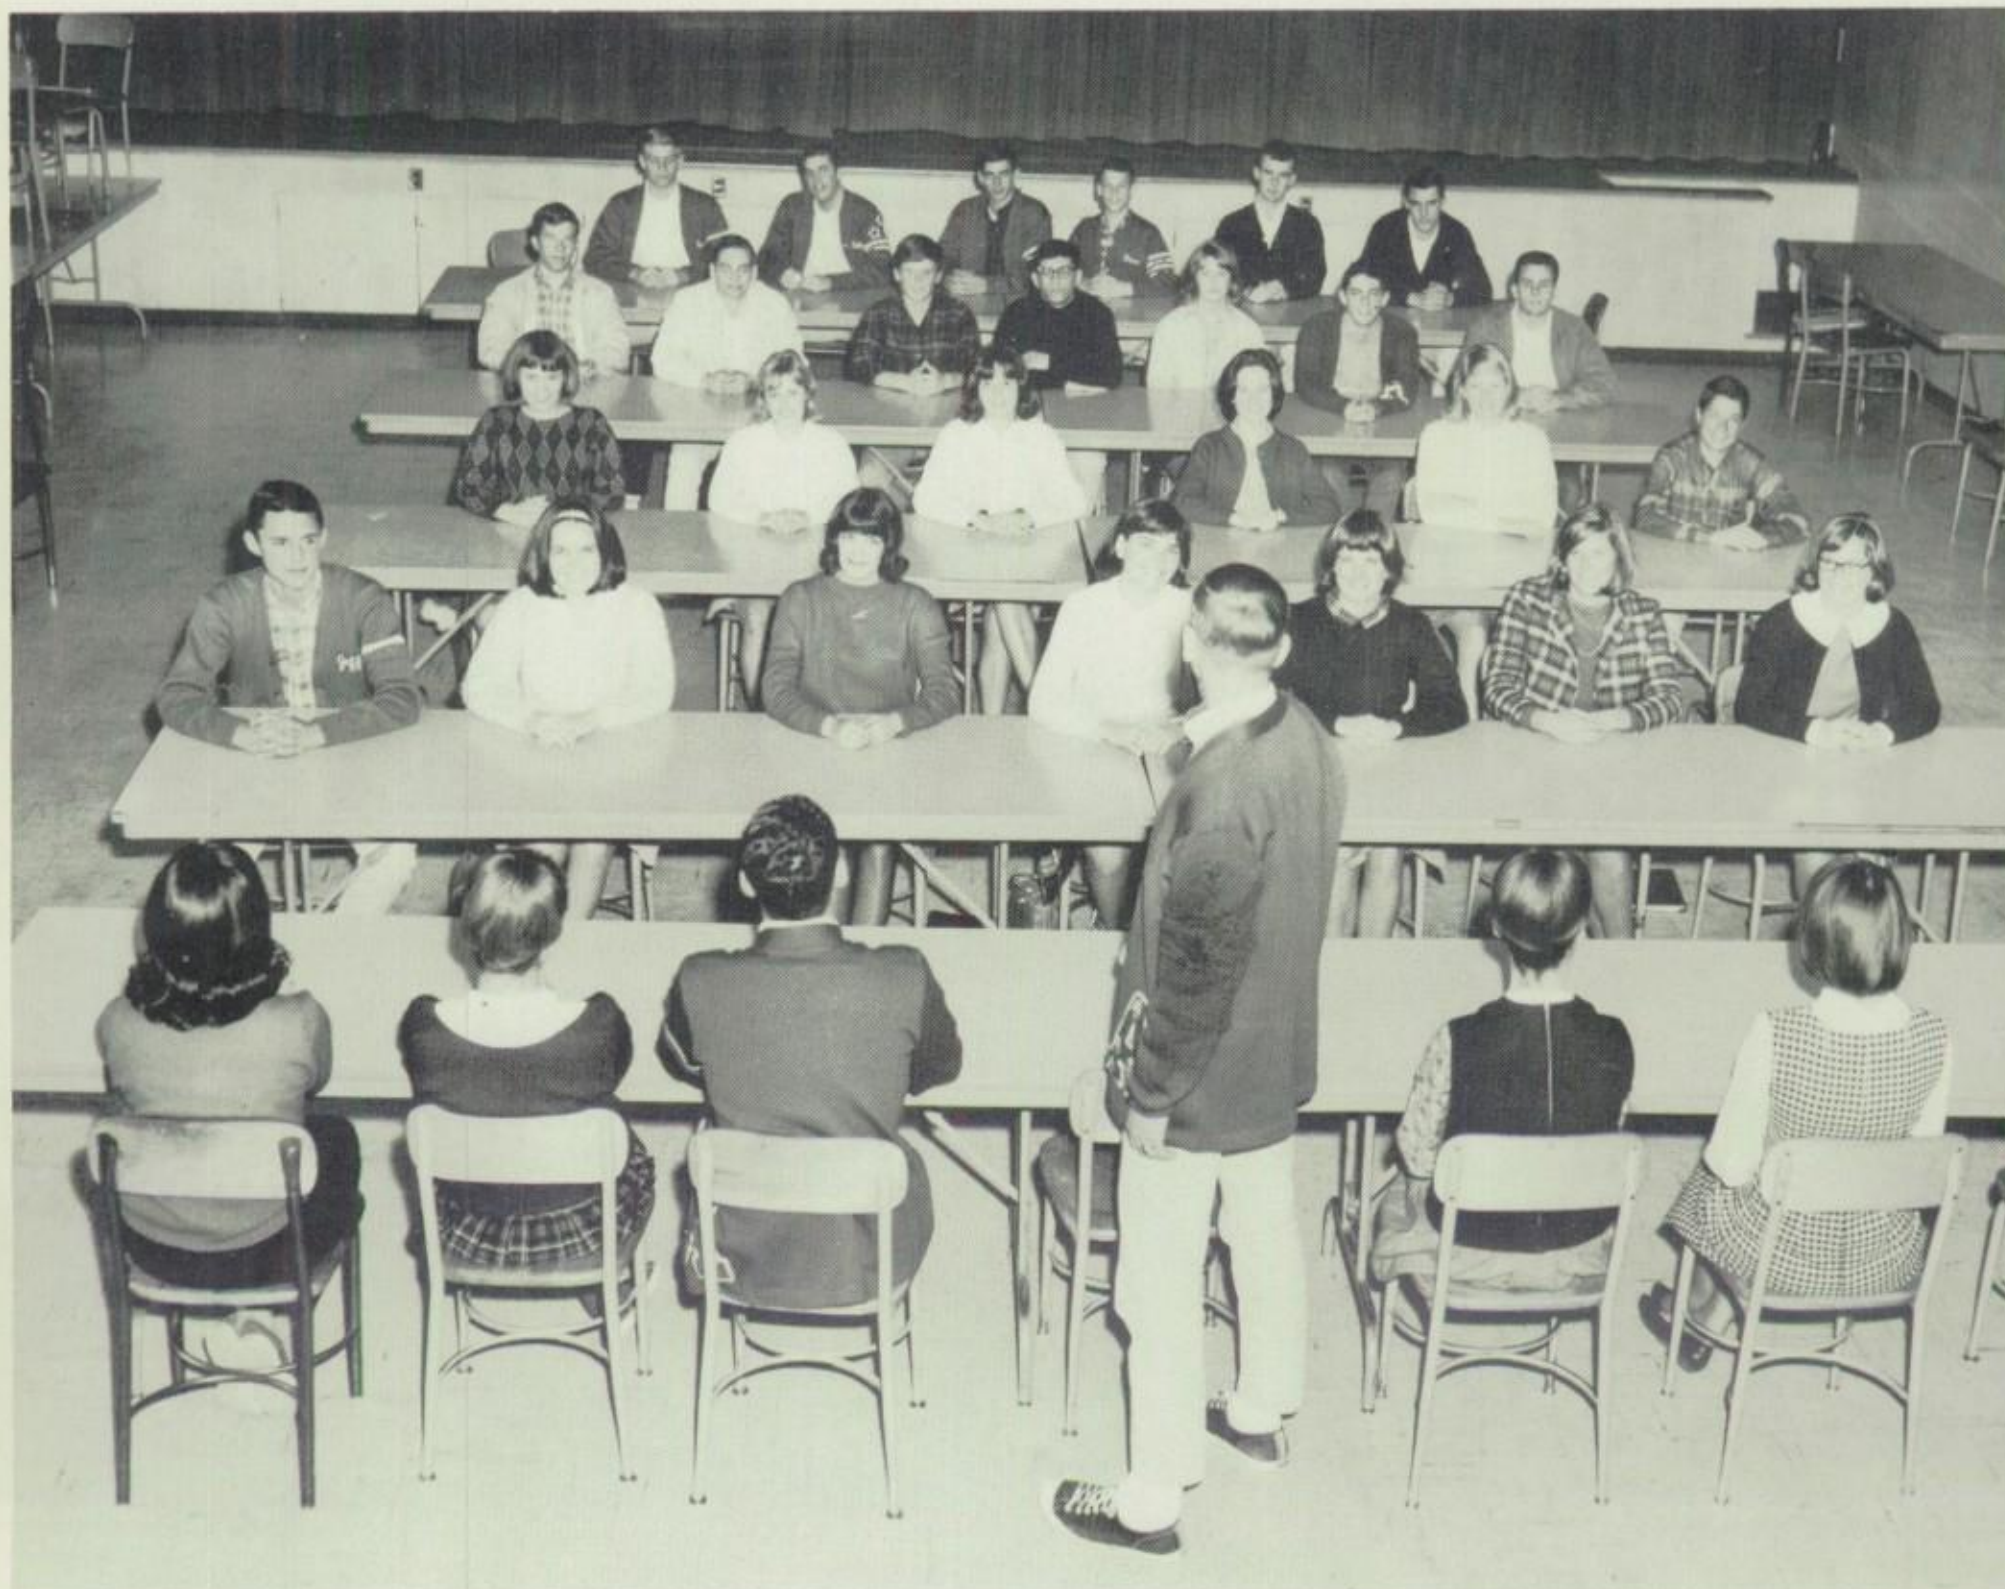

The deletion of Head Yell Leader as a Student Body Officer was the most important decision made by the fall semester of Student Council. Reversing an Acalanes tradition, the Council amended the school constitution by adding a Rally Commissioner as a Student Body officer. Prompted by a concern for the condition of the school, the Council also enacted a solution to the grounds problem. This was accomplished by eliminating brunch when the grounds were disordered.

The idea for a leadership class was approved by the spring Student Council. This class would allow student body officers and other class officers a period to discuss pending issues and to learn about parliamentary procedure. The body also discussed the possibility of installing a new sound system with speakers located in the cafeteria, lunchroom, and Student Square. This system would give the students noon music and would be available for other uses.

## Fleur de Lys

Fourth-year French students constituted the French club, Fleur de Lys. This club is interested in learning and understanding French customs. Every activity of Fleur de Lys, including a beautiful candle-light initiation, was patiently directed by Mrs. Landsmann.

## Spanish Honorary

Spanish Honorary encouraged Sophomore, Junior, and Senior Spanish students to explore Spanish traditions. Guided by Miss Sifuentes, Spanish Honorary earned funds by sponsoring a cake sale and a slave sale. Each member had the opportunity to visit Santa Cruz on the annual Spanish Honorary field trip.

## Block A

Comprised of lettermen from nine various sports, the main purpose of Block A is essentially the promotion of cooperation among athletes to provide not only an example to the student body, but also to promote school spirit. Summarizing this year's activities, the annual Father-Son Letterman's Banquet again proved to be a success, as did the field trip to San Jose State College in the spring.

Rally's activities began as soon as school started with the organization of football games and rallies. The height of the season was Homecoming. Basketball season saw Acalanes jump from sixth to second in league sportsmanship rating. Much of this was due to the tremendous effort put out by Rally to promote school spirit. The officers did a good job organizing Rally's functions. President Bob Harris, and later Leslie Grant who took over when Bob moved, performed the heavy duties demanded by the office. Leslie and Chris Cammisa both served as vice-president and were in charge of carrying out all of Rally's duties. Ginny Deuschle, as secretary, kept records of all activities and treasurer Don Ormsbee was in charge of all the financial aspects of Rally. With the approach of spring sports, new officers were elected as instructed by the new constitution passed to improve the organization and effectiveness of Rally. The year ended with the enthusiastic support of golf, tennis, swimming, and baseball.

# American Field Service

## A BUSY YEAR FOR A.F.S.

The school year of 1964-1965 was a busy one for the American Field Service. Under the supervision of Miss Dyer and Mr. Garvey, the annual A.F.S. drive netted an all-time high of \$2100. A few guest speakers invited throughout the year included exchange student Assif Sarabi, Mr. Snodgrass with a talk on Christmas in Germany, and Kelly Wisner, just back from South Africa. A.F.S. activities also included several parties and a visit from Edwin Monge, our Exchange Week student from Costa Rica.

These activities served to substantiate the American Field Service's reputation as a strong and active organization.

## ASSIF — AN ACALANES STUDENT

Before leaving home in Afghanistan I pictured America as a land of great contrasts, but reality was beyond my dreams.

My year at Acalanes left me with very pleasant memories. Many things here were different from my country. I enjoyed the friendly and helpful relationship between teachers and students. This is not found as much in Afghanistan. School friends were more casual here. For instance, in my country we shake hands instead of saying, "Hi!" when we meet. Finally, the dating custom I found at Acalanes is not practiced at home.

I want to thank all of my teachers and fellow students for making this year a most memorable and happy one for me.

SHEPARD, BRUCE—Foreign Exchange Student 3; C.S.F. 1, 2, 3, 4; A.F.S. 2, 3, 4; Cafeteria Worker 1, 2; Language Lab Assistant 1, 2, 3; Block A 2, 3, 4; Swimming 1, 2, 3, 4.

Bruce Shepard spent a year in Thailand as that country's first A.F.S. exchange student. His trip was part of a plan to introduce Southeast Asia to the American Field Service program.

For a year South Africa was my classroom, and my teachers—blacks, whites, gardeners, and lawyers—were all with whom I came in contact. I want to thank everyone, especially my family and my sister Mary (right), for a wonderful year. I learned that the lesson of South Africa is one of tolerance, love, and understanding. This, above all, is what I brought home with me.

## Vocal Music

An impressive organization, the Vocal Music department included one fourth of the Acalanes Student Body. Boys' and Girls' Choruses concentrated on learning the fundamentals of singing, but participated in the Christmas Program and Musance with the other vocal groups, A Cappella, Mixed Chorus, and Girls' Ensemble.

The first performance of the vocal department was the District Music Festival, in which all of the schools in the Acalanes district participated.

Students in the department worked enthusiastically selling mints to buy an organ for the school.

Because of the quality of this department and the dedication of its director, Mr. Hansen, it has built up a fine reputation for itself and Acalanes.

## SYNOPSIS OF SCENES

Time — Spring, 1860

Prologue: Antechamber in the Palace at Karlsberg.

Act. I: Garden of the Inn of the "Three Golden Apples" at the University of Heidelberg.

ACT II: Sitting-room of Prince Karl, at the Inn. Four Months Later.

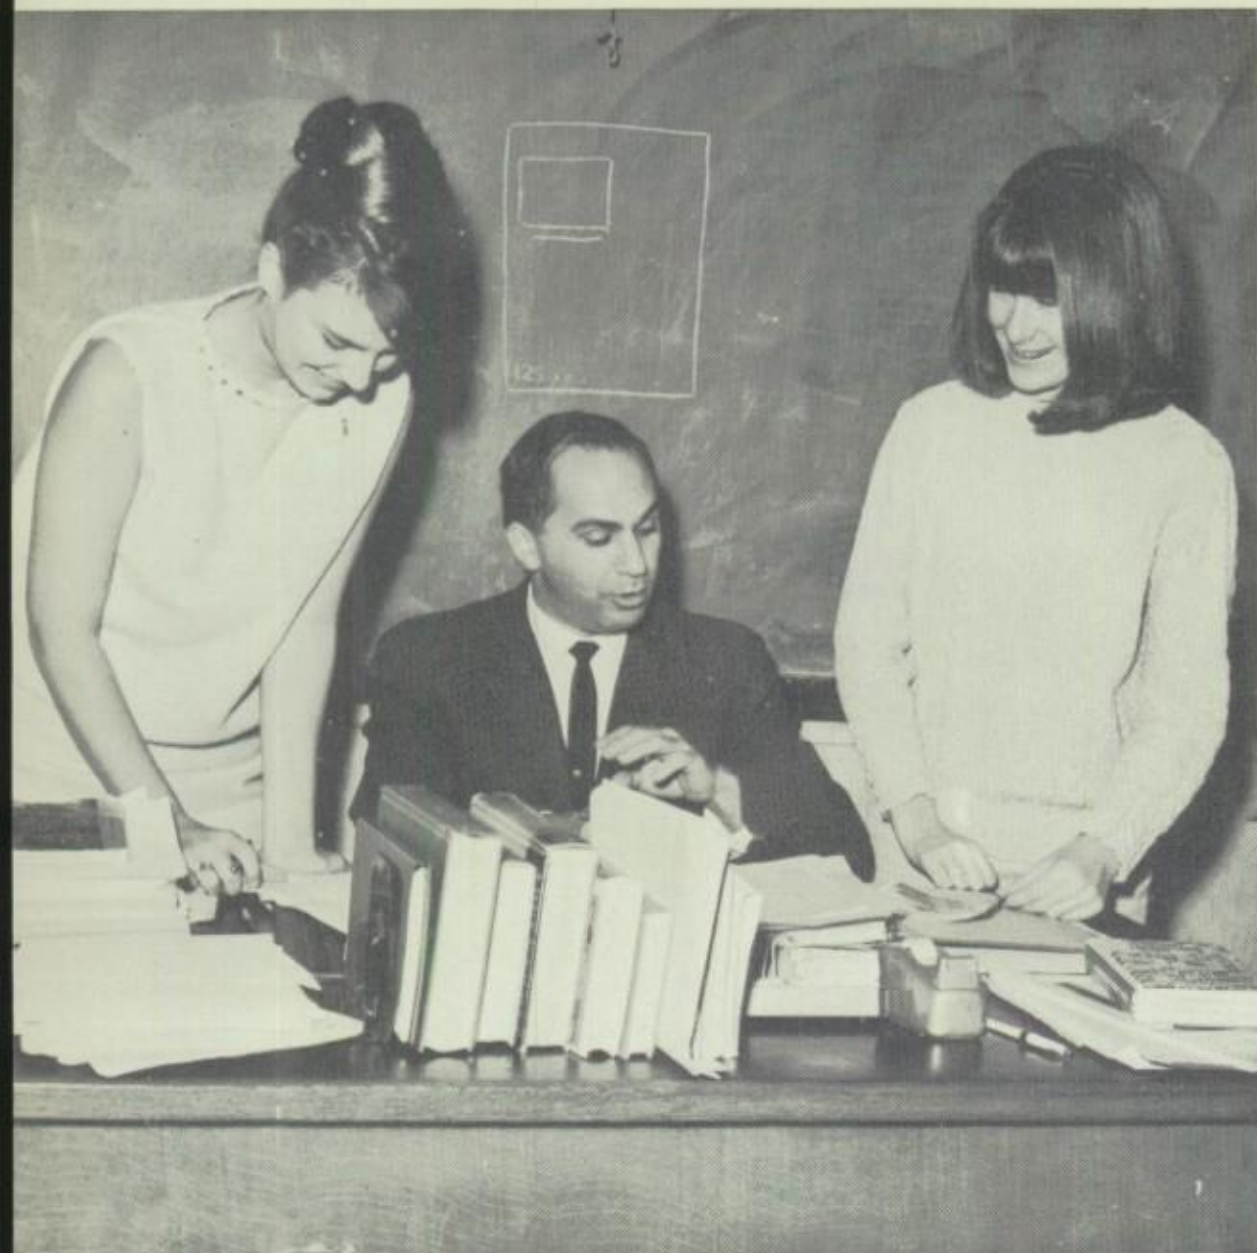

ACT III: A Room of State in the Royal Palace at Karlsberg. Two Years Later.

ACT IV: Same as ACT I. The Next Day.

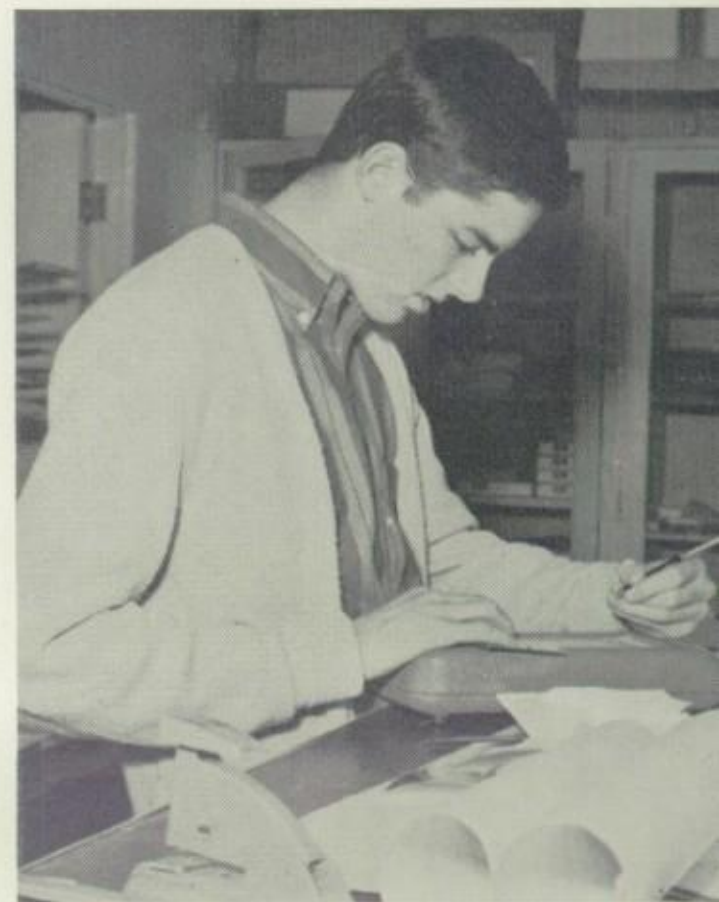

Detleff, Lucas, and Van Asterberg give a toast to Kathie.

Mr. Dessler, Aklan Advisor,  
explained new techniques to  
Jeanne Olsen and Jeanne Morrison,  
Co-Editors.

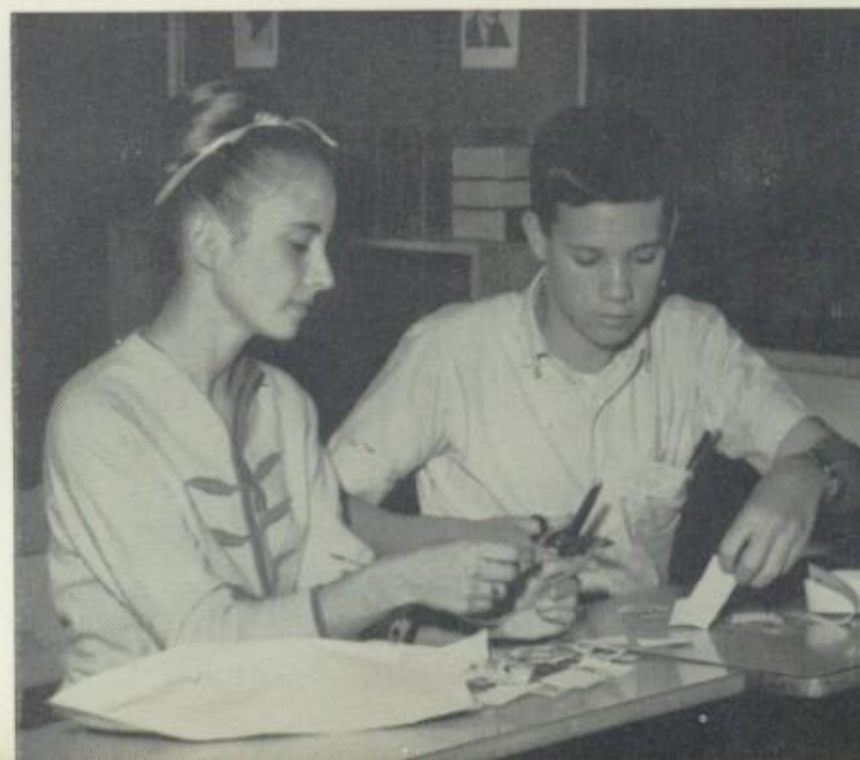

Tom Fitzsimmons, Business Manager,  
wrote a receipt for a customer.

Cherie Olson, Clubs Editor,

planned captions for some football pictures.

Sue Weeks, Art Editor,  
looked for ideas for division pages,  
as Paul Sanders, Photographer,  
looked over some proofs.

## Aklan

Putting out a Silver Anniversary Edition created new problems for the Aklan staff. Work began over a year before the book was completed. The staff had to learn the history of Acalanes before they produced this *Aklan*. Hours were spent trying to locate old pictures for use on the division pages. In doing this, they had to contact the contractors who built the school, as well as many Acalanes alumni.

Robin Gibb, Senior Editor,  
and Kathy Kruse, Assistant Senior Editor,  
check Senior records.

Mr. Mayes, Advisor; Linda Croce, Editor.

## Blueprint

The *Blueprint* Staff, advised by Mr. Mayes, depicted the many interesting facets of Acalanes. In addition to informing its readers of important news, such features as "Heap of the Month," "This Is Acalanes," and "Senior Profiles" added color to the paper. To the casual observer, the *Blueprint* room seemed unorganized: for most members of the staff were out reporting, and those inside were frantically trying to meet their deadline.

# Mother-Daughter Fashion Show

Beki Chamberlain's demure but dramatic white wool crepe dress also took first place in the division contest and seventh place in the state contest.

Laurel Stanley won first place in the division contest in the Make-It-With-Wool Contest. Her beautifully made hooded car-coat took fourth place in the state contest.

Jeanne Olsen, Ellen Clark, Marilee Wade and Sherry Colbourn made these elegant dresses to wear to the Senior Ball.

Dody Dornisfe, Renee Forster, Debbie Fink, and Kris Lincoln are well dressed for the city in their smart wool outfits.

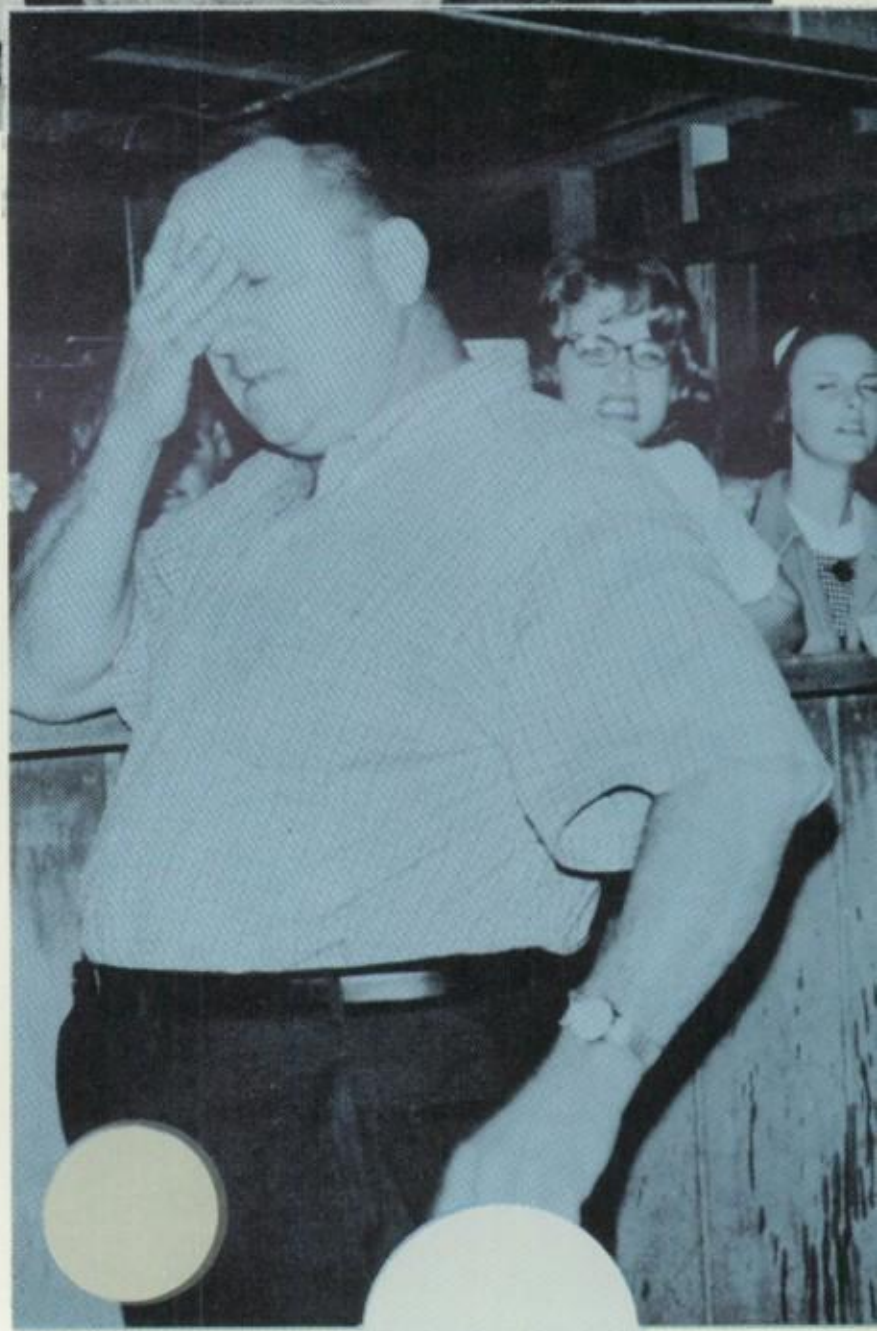

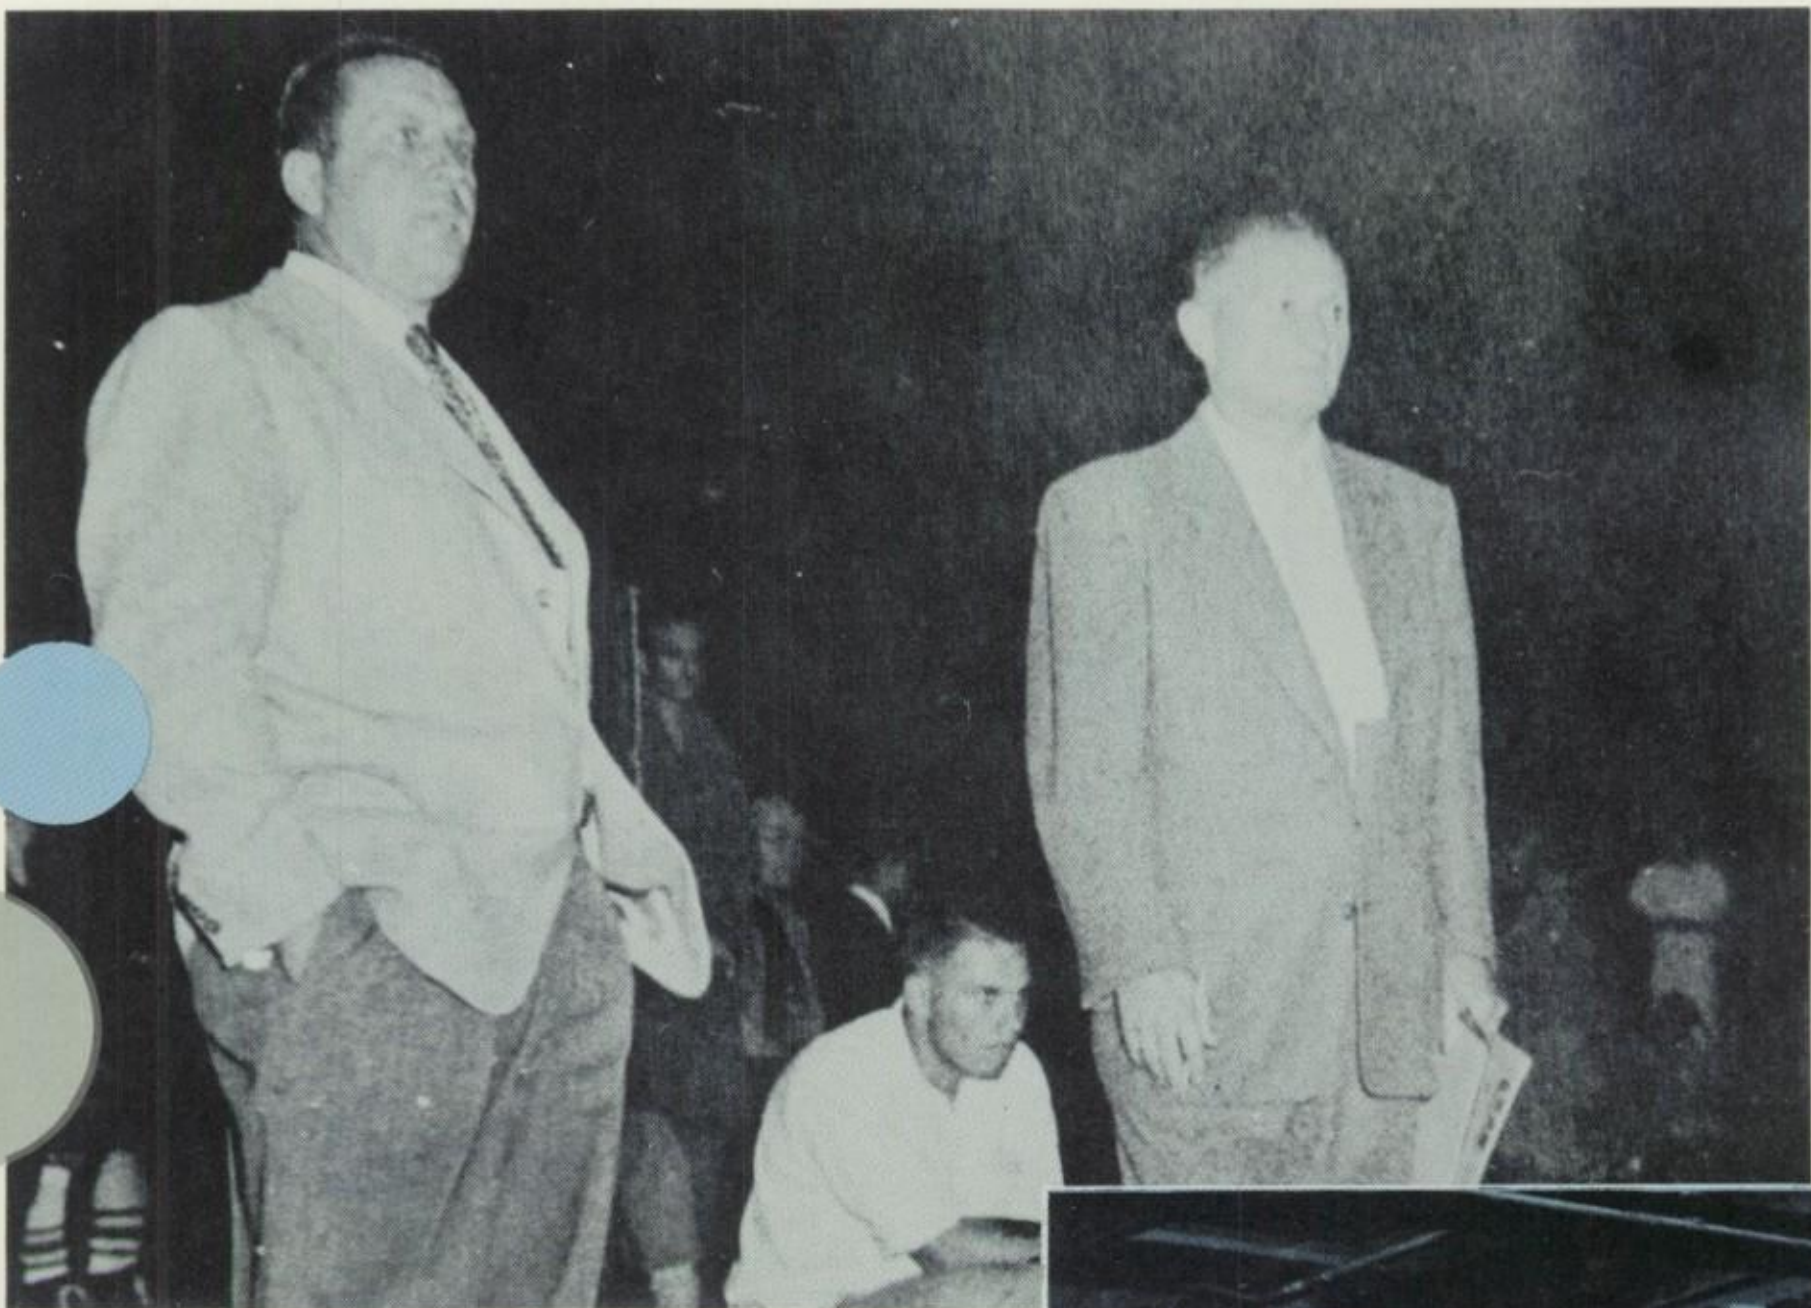

These expertly constructed suits and coats were made by Susan Hopper, Karen Wagner and Linda Westphal.

Relaxing in their pert sports clothes are Carol Esser, Vicky Larson and Cherie Olson.

With new and varied routines our pompon girls provided entertainment at rallies and games. Their skill was especially obvious when compared to pompon girls from other schools.

During the summer, the yell leaders developed a highly-polished style which won most of the awards at the Squaw Valley yell leading camp. Their spirit stimulated the cheer sections during the football and basketball seasons.

Besides practicing with the band, the majorettes spent many after-school hours perfecting their routines. Spectators at rallies and half-time shows during football and basketball games saw evidence of the girls' work.

## Varsity Football

Youth predominated Coach George Cockerton's 1964 Don's Football team. Despite a number of experienced seniors, the Don's lacked, for the first time in many years, experienced players to back up these seniors, a major contribution to this disappointing season. The only bright spot on this year's eleven was that Acalanes can look forward to next season with a more experienced line and an equally fast backfield. With a returning nucleus of Tucker, McDougall, Bullen, and Knudson, the Don's should not miss senior halfback Tietig, nor linemen Jay, Toll, and Wakeman.

## J.V. Football

With the loss of key players to this year's squad, the Don's Junior Varsity football team lost every contest. Despite this, Coaches Al Thurling and Bob Warren worked hard to develop varsity material. Backs Steve Green, Steve Brown, and Denny Condon plus linemen Tom Kosach, George Higgins, and Jim Rossi will be counted on to strengthen Don's football in the future.

Steve Green (27) escaped two Miramonte tacklers on the way to a long gain.

## Frosh Football

The Frosh Football team finished in first place in the Foothill Athletic League with an undefeated season. Coach Mattson finally restored the Frosh team to its long-lost supremacy in the league. The strength of the team was shown by the fact that they beat all opponents, except San Ramon, by a margin of at least three touchdowns to one. The fine showing of the Frosh this year gives encouragement to the future Acalanes football picture. Among the standouts on the Frosh team were backs Jim Stevens, Chuck Nagy, Denny Johnson, and linemen Ken Rosso and Dave Chase.

## Varsity Basketball

Despite exhibiting a frustrating finish in a tightly contested league struggle, the 1964-65 Acalanes Varsity Basketball team fielded perhaps one of its best quintets in recent years. The Dons, looking for an unprecedented third straight Foothill League championship at the start of the season, hustled their way to fourteen straight victories, a first-place finish in the annual Del Valle Invitational Tournament, and a spot in the top ten prep rankings in California. Unfortunately their string was soon broken as Del Valle's torrid shooting percentage proved invincible, as did the league championship. Never regaining their early season form, the Dons lost not only two of their six remaining contests, but their first-place position as well. Finishing a close second, Acalanes shouldn't be disappointed because of the perplexity of this year's league which saw them being challenged by Miramonte and Piedmont, the latter the ultimate victor.

Paced immensely by the performances of two great basketball players, the Dons finally ended up the season with a very respectable 18-3 record; both first team All-League guard Lee Newell and second team center Greg Malley displayed the necessary leadership and ability to guide their team to its best over-all record in a number of years. These two seniors were also helped by Jim Tucker, who received All-League honorable mention, Dale Speyer, Steve Seely, Ken Short, Phil Gilmour, and Bob Walgren, the latter three giving the Dons one of the best benches in the league. With five returning squadmen, including starters Tucker and Seely, the Dons have an excellent chance to regain the Foothill League crown.

When the referee blew his whistle, all action stopped on the court in a traditionally close battle with Miramonte.

Steve Seely (4) grabbed a rebound between two San Leandro defenders.

With his hands in the air to prevent a shot, Dale Speyer (30) guarded a Mt. Diablo ball handler.

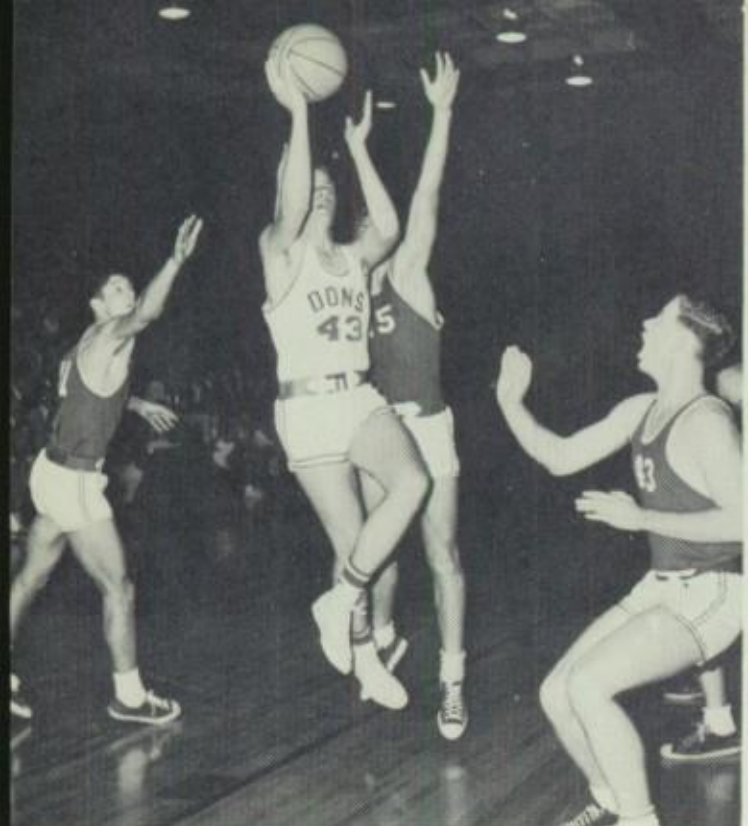

Lee Newell (13) and Greg Malley (25) showed their rebounding ability by following up a missed shot against Campolindo.

Don's center Greg Malley (25) used his height as an advantage to score against San Leandro.

Rick Sullivan (43) drove in for a lay-up against Del Valle.

Acalanes, led by Doug Leonard (14), tried desperately to out-rebound their opponent.

Bob Riner (35) shot over the guard of a Del Valle defender.

# J.V. Basketball

The Acalanes Junior Varsity squad displayed some promise for later years, yet that promise came only during the latter half of the season. Losing nine out of their first twelve contests, including their first five games, the J.V.'s looked depressingly hopeless, despite the fine performance by Jeff Borowiak. They finally discovered a proper team balance to go along with Borowiak's exceptional scoring ability, and went on to win four of their last six games, finishing in the middle of the Junior Varsity League standings. Helping sophomore Borowiak were juniors Rick Sullivan and Bob Riner, and sophomores Doug Leonard and Doug Snelgrove.

## Frosh Basketball

Finishing with a creditable record, the Don yearlings tied for the Foothill League Freshmen title. Leading them to the co-championship were guards Lester Silva, Dennis Johnson, and front-court men James Stevens and Robert Costa. With such evenly distributed scoring by these four individuals, the baby Dons had little trouble disposing of their opponents.

## Varsity Baseball

With a second-division showing over the first half of the season, the Acalanes Varsity Baseball team possessed one of their poorest records in recent years. Seniors Jack Jay and Dale Speyer teamed up with lower-classmen Jim Tucker, Gary Shaw, and Scott Sulprizio to give the Dons what little experience they had. Yet next year's squad promises to be more experienced as Coach Erwin Mattson loses only two members of this year's team, which was also composed of four juniors, five sophomores, and two freshmen.

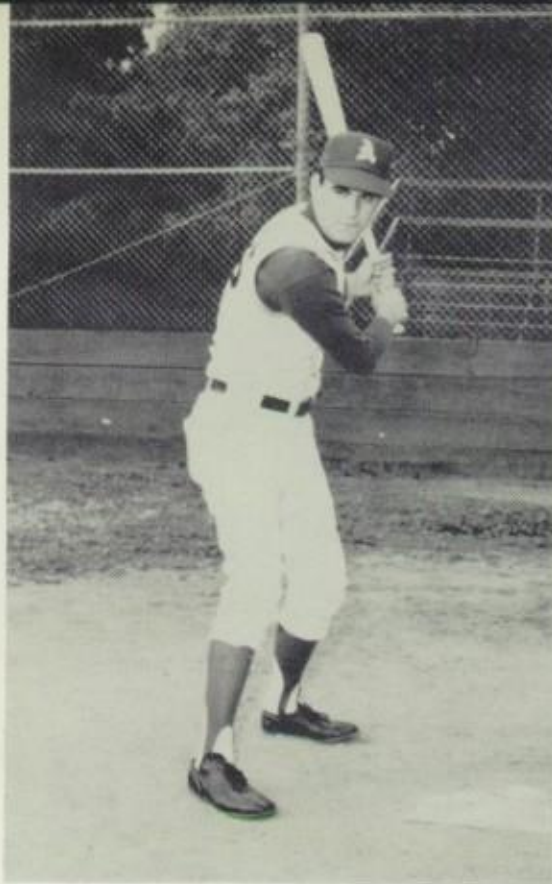

Jack Jay (16) stretched for the ball in an attempt to pick off a Del Valle baserunner.

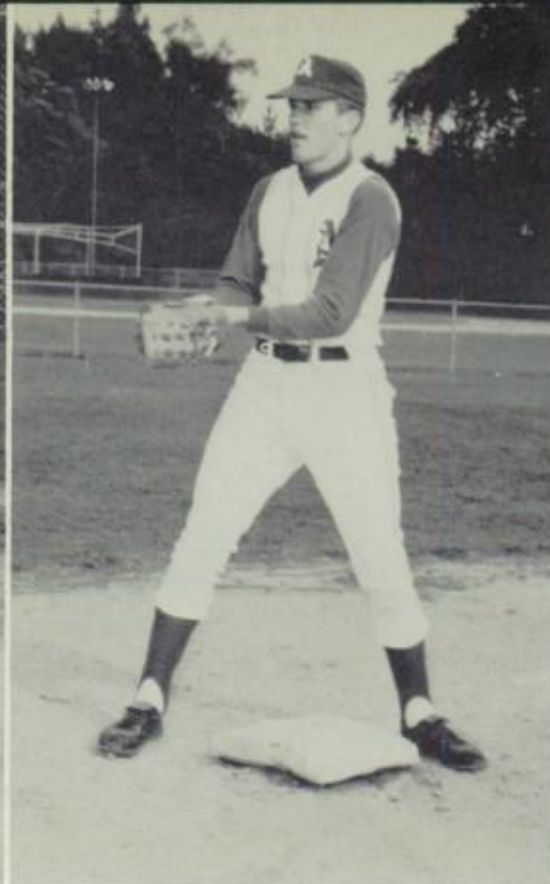

Tom Kosach scored a badly needed run in a close play at the plate.

## J.V. Baseball

Coached by George Cockerton, the J.V. Baseball team had compiled a perfect league record by mid-season, and was expected to win the F.A.L. crown. After losing to Pleasant Hill in their first game of the season, the J.V.'s maintained an unblemished record, highlighted by a one-hit shutout of Las Lomas by sophomore Dave Compass. Other stand-outs were pitcher Steve Fink, catcher Greg Fink, and infielders Jim Power and Ron Sutrov.

## Cross Country

Despite a disappointing season in Cross-Country this year, the Dons almost invariably were assured of one first place in every meet, thanks to the tremendous distance ability of Ron Elliott. Ron's top position in the Foothill League Meet enabled him to compete in the finals of the North Coast Sectional Meet. The loss of Elliott might not be a disadvantage to next year's squad, however. With such new faces as John Nunan, Bob Mayfield, Dave Elliott, Roger Boothe, and Bob Walgren, the Dons could sport the greatest team depth and ability of cross-country runners ever experienced.

## Varsity Wrestling

Acalanes' matmen once again proved their superb wrestling ability by tying for the F.A.L. championship with Las Lomas. This was the seventh time in the last eight years that Coach Mattson has piloted his team to the top spot. The Dons, after a slow start, finished the season with only one league defeat.

Despite injuries to Mike Pitts and Stan Wakeman, the Dons managed to finish fourth in the league meet with Allan Hauskens winning the 103-pound title, Dave Toll first in Unlimited division, Mark Cheney second at 145, and John Larsen second at 154. Other winners were Randy Knudson third and Craig Davis fourth. Hauskens and Toll went on to take third and fourth respectively in the North Coast Meet. Next year, with two thirds of the varsity starters returning, Acalanes can expect an unusually strong team.

## J.V. Wrestling

Coaches Mattson and Sterni once again produced an invincible J.V. Wrestling team which took the league title with little trouble. One reason for the fine showing of the J.V.'s was Coach Sterni's excellent development of novice wrestlers. These novices have consistently bolstered the ranks of both the Varsity and J.V. squads.

Standouts this year included Trip Bailey, Mike Pickett, and Brett Bullen, all of whom wrestled varsity matches later in the season. Rounding out the nucleus of the squad were Ed Davis, Jim Kraft, Craig Davis and Bob Pickett.

## Varsity Track

Lack of talent kept Coach Charles Eaton's trackmen out of championship contention this year, despite the fact that they possessed a few outstanding individuals. Miler Ron Elliott helped the Dons immensely as he has been doing for the past three years in both track and cross-country. Although only a junior, high jumper Bob Riner set a school record with a leap of over six feet. Squadmen John Merrill, Bob Eames, Rick Pinger, and Mike Johnson gave the Dons assistance in the sprints, hurdles, pole vault, and distances, respectively. Coach Eaton can look for help from this year's B squad in his attempt to place his squad back in a position to challenge Piedmont for the Foothill League crown.

School high-jump record-holder Bob Riner easily cleared opening height.

Jim Smith displayed his winning high jump form.

Dick Clarkson passed the baton to Ken Kaplan on the last leg of the 440-yard relay.

## B Track

In spite of the poor showing of the Varsity track team this year, the B track team proved to be one of the strongest Acalanes has ever fielded. Sporting both ability and depth, the B's recovered from their early season drubbing at the hands of El Cerrito and swept the San Ramon Relays, scoring almost twice as many points as second-place Piedmont.

Leading the B's in their quest for the league title were sprinters Dick Clarkson and Randy Knudson, hurdlers Dan Jones and Jim Smith, who also broad jumped and high jumped, and distance men Mike Pickett and Dave Elliott.

## Varsity Swimming

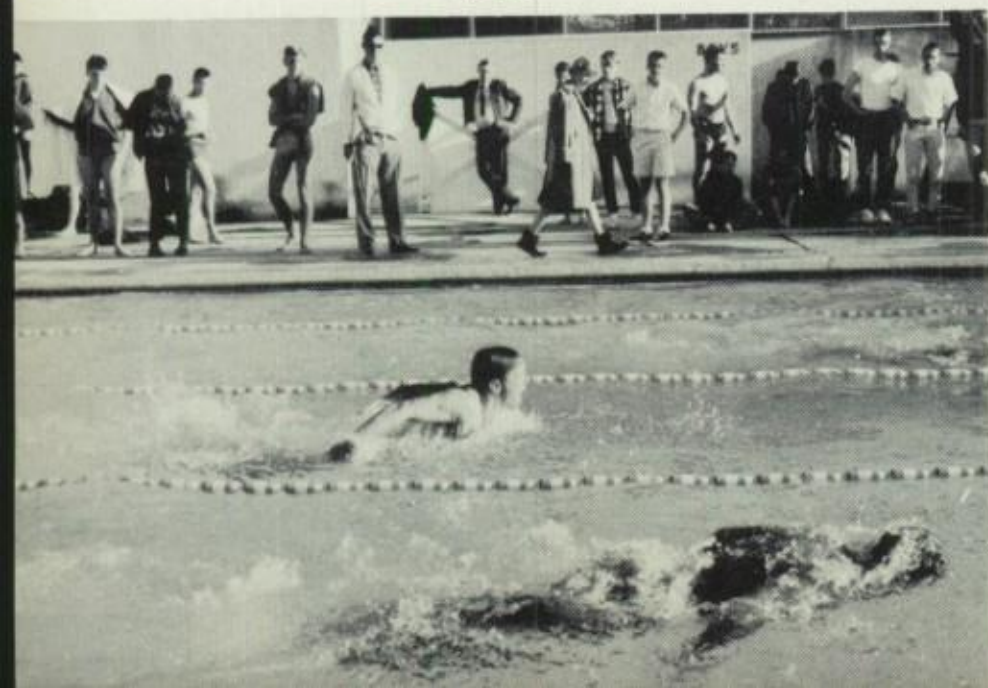

Exemplifying an Acalanes tradition of excellent swimming teams, the 1965 Varsity squad stroked their way to an impressive early-season record. Although losing a few closely-contested meets, the team as a whole demonstrated excellent depth upon facing some of the best swimmers in this area. Individually, Trey Fisher, butterflyer and captain of the Dons, and Tom MacPherson showed superb swimming ability as they have for three preceding years. MacPherson shattered all existing breaststroke records and appeared ready to face anyone, as did his teammate Darren Wester. Other noteworthy individuals included Don Nesbit, a sophomore backstroker who followed MacPherson's pace, Mark Cheney a free-styler, and divers Mike Pitts and Lanny Howland. With an over-abundance of lower-classmen to offset the graduation of some fine seniors, Acalanes will probably surpass any existing standards next year.

## J.V. Swimming

Directed by captains Dave Gliozzi, Jim Kraft, Bob Johnston, Bruce Hurrell, Steve Raphael, and Dave Buckman, the B swimmers had another successful season, even though they had a small squad. Gliozzi and Hurrell, both freestylers, and divers Raphael and Buckman could be counted on to obtain vital points for their team at almost any time. By being capable of such an attainment, Varsity mentor Dick Dobbins, who also doubled as coach for the B's, can look forward to these and other talented young swimmers in the coming years.

## Tennis

Sporting two state-ranked tennis players—sophomores Rick Goggin and Jeff Borowiak—the Don's Tennis team was once again in the thick of the title race. After a commendable pre-season showing against some of the Bay Area's toughest teams, the netters' quest for the championship was thwarted by perennial champions, Miramonte. Nevertheless, the Dons can look forward to next year with enthusiasm, for in addition to Borowiak and Goggin, number three man Jim McLennan as well as the rest of the team, with the exception of Seniors Bruce Neighbor, Don Rickman, and Dave Lewis, will be returning.

This year's golf squad had another successful season. Through midseason, the divoters were tied for the league championship, as well as fielding a 5-1 record in pre-season play. Led by junior Dave Shank, whose superb iron play and excellent putting ability have made him unbeatable over the last three years, the Dons hope to establish a continuity of championship-caliber teams, especially with four of their top six men returning for next year.

G.A.A. swimmers started the first lap of a freestyle race.

At an after-school basketball game, the girls showed their basketball prowess.

After each Friday night football or basketball game, the gym filled with music and students. Tremendously successful, the after-game dances were sponsored by the Parents Club. Often, to the enjoyment of all those present, the Breakers entertained.

Well Bill -

This is your last  
year here at Acalanes

I hope you do well in

the years to come.

Good luck Always

## Farewell

The 1965 Aklan has tried to capture the entire school year's classroom activities, athletic events, and extra-curricular functions. This, however, is an impossible task. No photograph can possibly show the vitality of students' spirit in school life. Acalanes is a hollow shell which comes to life with the arrival of the first student and comes to a close with the departure of the last student. Yet, in the memory of each graduating class, Acalanes is not remembered as an empty shell. It is remembered as a living, vibrant unit. The 1965 Aklan, despite the impossibility of the task, has attempted to depict a living organism — Acalanes High School.

Well Bill,  
it didn't take you long to lose  
your bloody Aussie accent, but  
it's been ~~a~~ fun 4 years; but cheer  
up. Things can't get worse.  
Lots a' luck,  
Sheridan

Dear Bill -  
It seems strange that  
the end of four years together  
is now coming to a close.  
We have shared a lot of sorrow and  
joy with each other for we are  
truly close friends. I am very happy  
for you as you seem to have been  
a good one and have found a wonderful  
horizon and Christine will have your problems  
girl. You are confident as Melonie and I have;  
but I am confident that those can be  
you have a lot of potential that I know  
that you can and will use. I am looking  
forward to a continued friendship in  
the future -  
Bill Hawkins

Bill,

It's been a lot of fun  
these last 3 yrs. In Mixed  
Chorus, Public Speaking & SO  
Tech. Take it easy -

Good Luck Always,

Wayne W. Ellensen '66"

Bill,  
It has  
been quite a  
year - suffering a  
through Wilde and  
Olson this year. Lots  
of luck in the coming  
years.  
Love,  
Carole Henderson

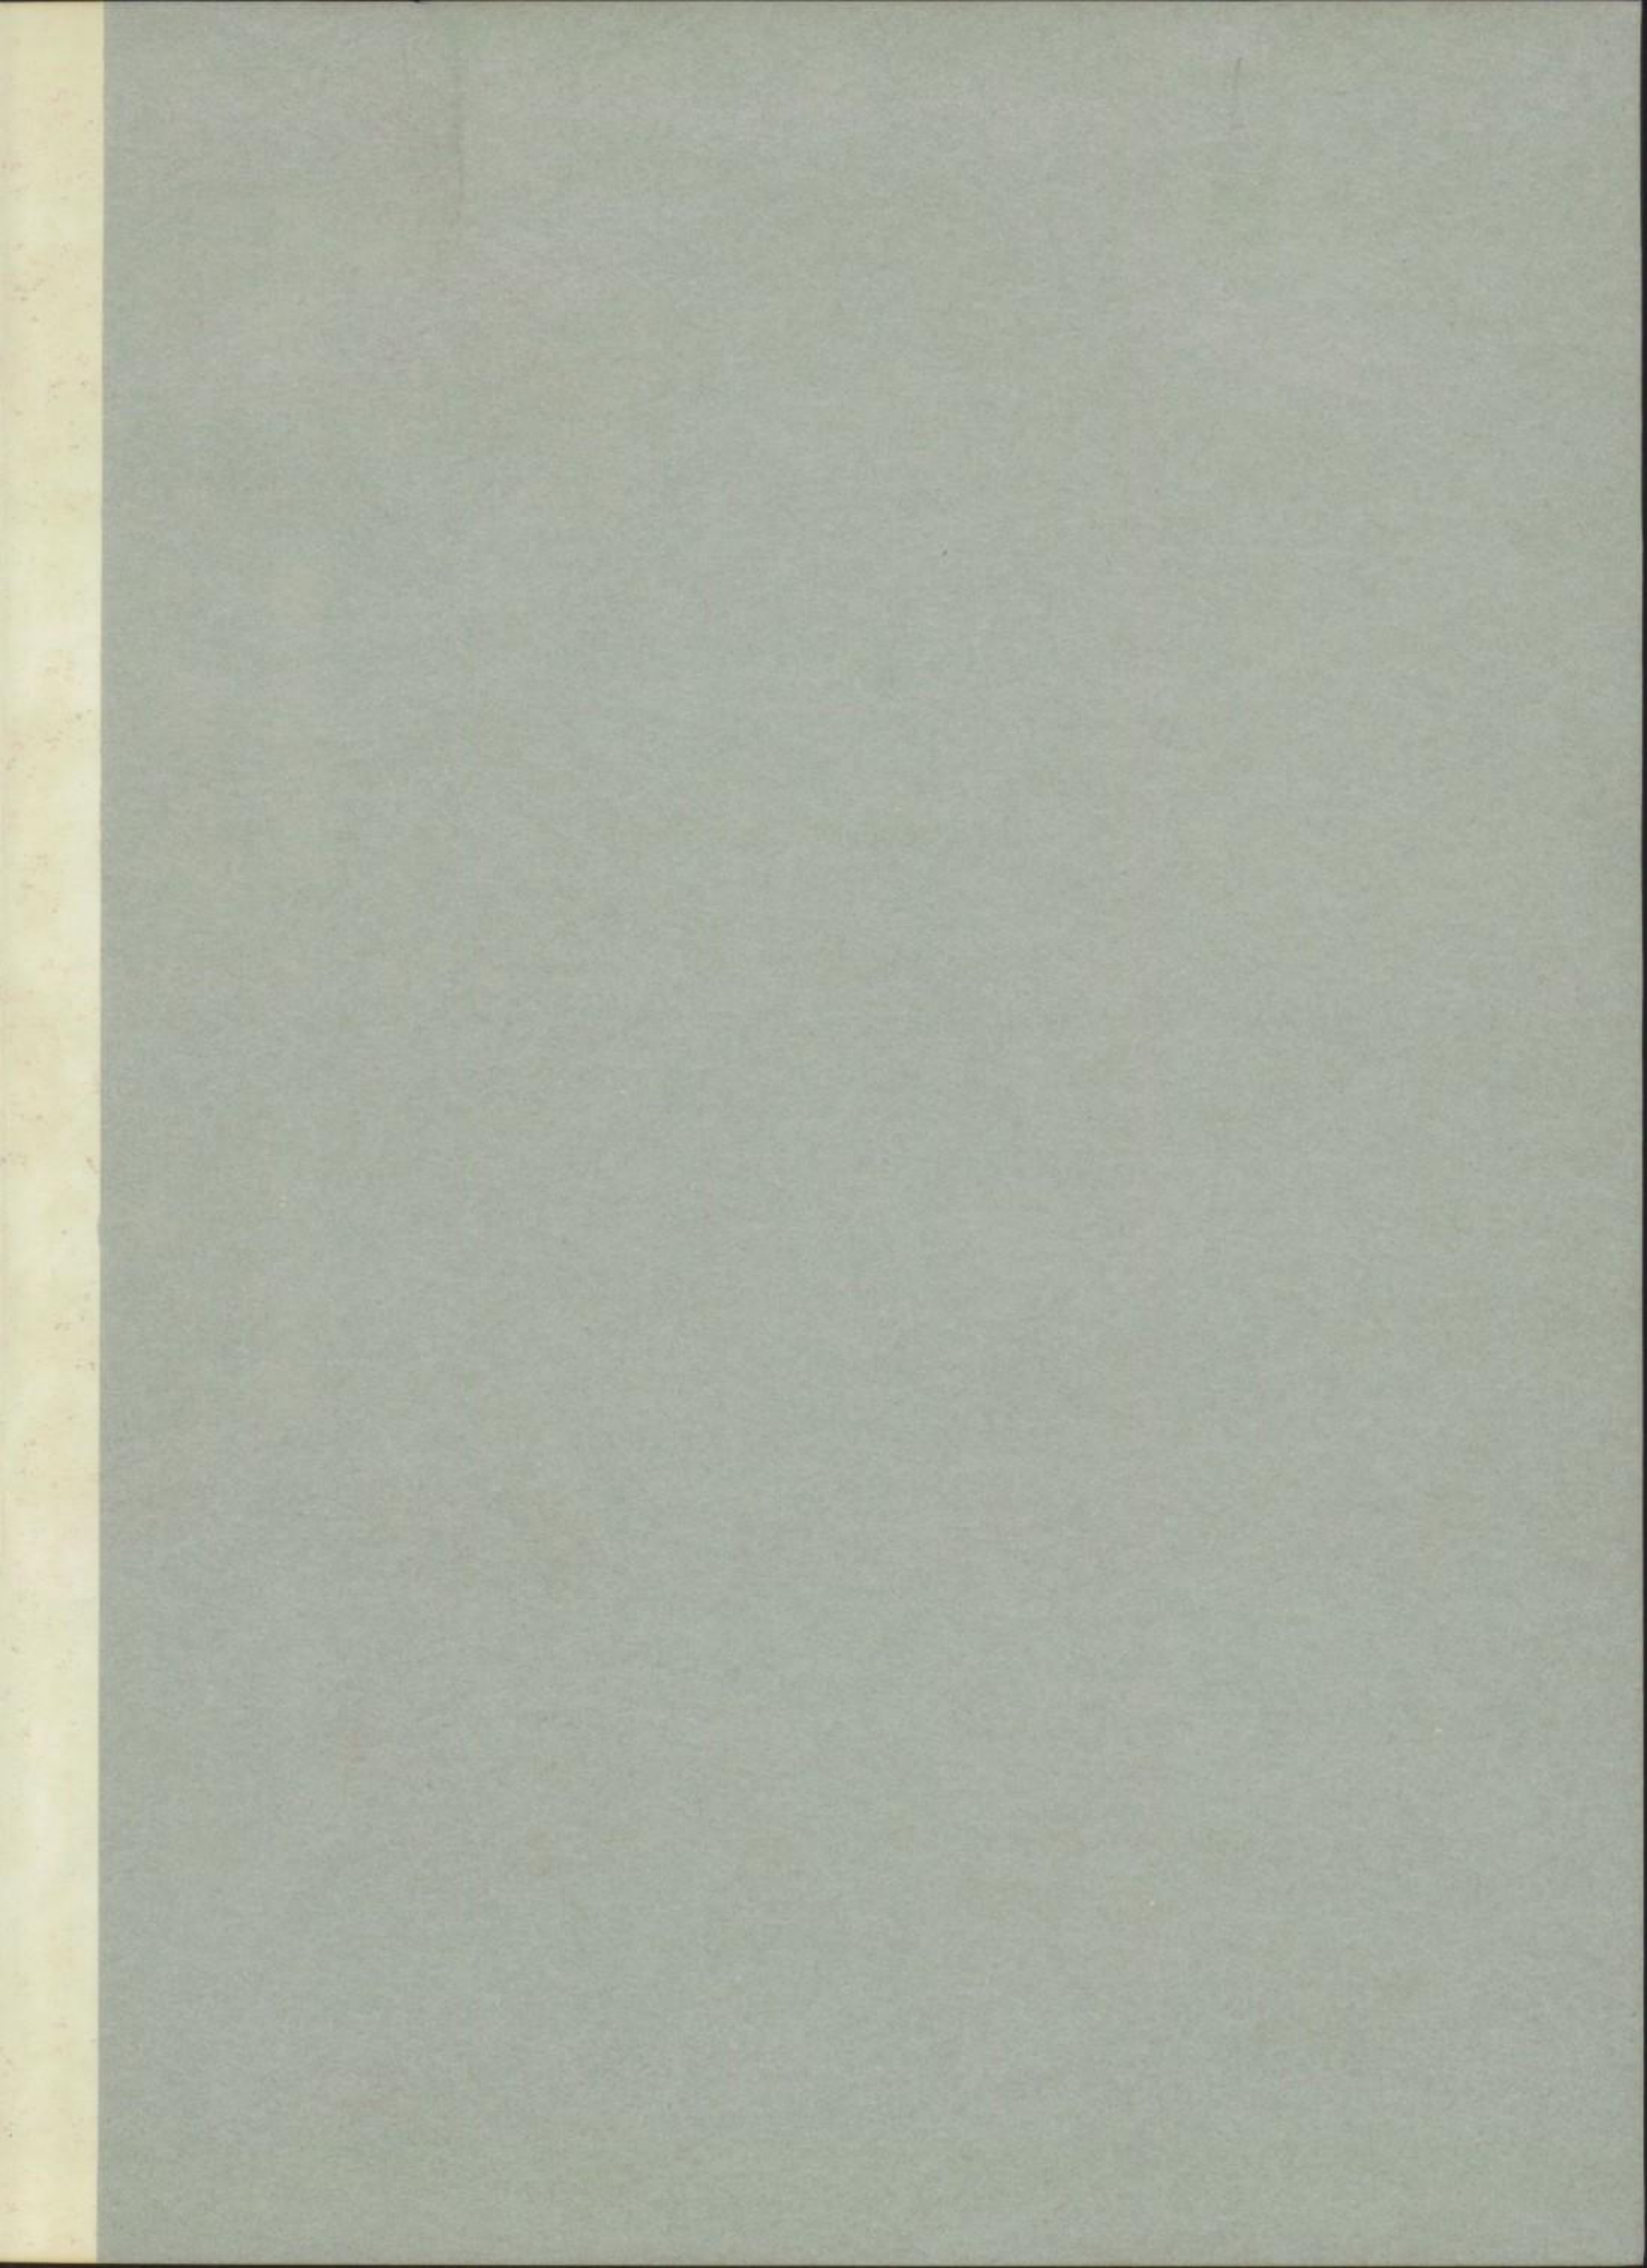

Bill,  
I hope you are  
happy and  
well. Love,  
Mel

Bill  
Lots of luck  
in the future  
years.  
Ken  
Vinette

Bill,  
I can't begin to tell you  
what you mean to me. You  
are the one person to whom  
a person can go when the  
going is rough. They say that  
still waters run deep and this  
is true. The peace and stillness  
of your personality, plus your  
deep compassion make you the  
one to turn to in trouble. I  
will never be able to forget all  
you've done for me and I shall  
be eternally grateful.

Love always,  
Mel Olander
